TsÉyi' / Deep In The Rock: Reflections On Canyon De Chelly (Sun Tracks)

Synopsis

To visitors it is Canyon de Chelly, a scenic wonder of the Southwest whose vistas reward travelers willing to venture off the beaten track. But to the Diné, it is Tséyi, "the place deep in the rock," a site that many have long called home. Now from deep in the heart of the Diné homeland comes an extraordinary book, a sensitive merging of words and images that reflects the sublime spirit of Canyon de Chelly. Diné poet Laura Tohe draws deeply on her heritage to create lyrical writings that are rooted in the canyon but universal in spirit, while photographer Stephen Strom captures images that reveal the very soul of this ancient place. Tohe's words take readers on a journey from the canyon rim down sheer sandstone walls to its rich bottomlands; from the memory of Kit Carson's rifle shots and the forced march of the Navajo people to the longings of modern lovers. Her poems view the land through Diné eyes, blending history, tradition, and personal reflection while remaining grounded in Strom's delicate yet striking images. These photographs are not typical of most southwestern landscapes. Strom's eye for the subtleties and mysticism of the canyon creates powerful images that linger in the mind long after the pages are turned, compelling us to look at the earth in new ways. / Deep in the Rock is a unique evocation of Canyon de Chelly and the people whose lives and spirits are connected to it. It is a collaboration that conjures the power of stories and images, inviting us to enter a world of harmony and be touched by its singularly haunting beauty.

Book Information

Series: Sun Tracks (Book 54)

Paperback: 72 pages

Publisher: University of Arizona Press (November 1, 2005)

Language: English

ISBN-10: 0816523711

ISBN-13: 978-0816523719

Product Dimensions: 9.2 x 0.3 x 9 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (2 customer reviews)

Customer Reviews

This book brings back many memories of my visits to Canyon De Chelly. The poetry and prose are descriptive of the feel of the area and the thoughts and emotions they generate. The photos are very nicely done and arranged. They both give you a brief glimpse into the grandeur, charm, depth, majesty, sorrow, resiliency and soul of this amazing place and its inhabitants ancient and modern. After the Grand Canyon, Canyon De Chelly is the place I most often recommend to visitors to Arizona. If you cannot visit Canyon De Chelly, I suggest getting this book. If you have been there, this book would make a great memento.

Enjoyable book to read after just going to Canyon De Chelly - I would have liked to see more pictures with vistas, more content, there were a few too many very closeups, Nice blend of copy and photos.
