### **Customer Reviews**

I ready don't know where to start. This series is one of the best I've read and that in it self is say a lot because we are 6 books in. For me this series has never gotten old because it's always fresh, exciting, educational lol last but not least orgasmic. Jaxon really puts forth an effort to give his readers quality work and I respect that. If you have not read any of Mr Jaxon Grants book; please do. You will be throughly entertained. 10 stars across the board.

Jaxon Damn Grant does it once again in his book of #LOCAB6 he didn't disappoint us at all. I feel that we as the readers of this series gotten a lot of unanswered questions answered 24 books latter and he's still slaying us with his literary genius. Please Purchase this book it will not disappoint, this book is the catalyst that set up the upcoming books that is going to give us WHAT WE WANT AND NEED!!!!! WHO YOU WITH #TEAMD&Z OR #TEAMD&D?

This chapter did not disappoint!I was waiting with baiyed breath for this chapter to come out and I was excited to read it.Zach finally has the love he deserves in Dray.He is getting his masters and making his way in the world.Dray is also making major moves and want Zach by his side every step of the way.Dwight is going through the motions with Lexi and she thinks Zach's friendship with him isn't right. Accusations fly and tempers flair. "Will there even be a wedding now? ", becomes a question. When Zach needs Dwight in am emergency, Lexi shows Dwight a side of her that may jeopardize their nuptials.Zach is holding back from Dray when he should be drawing closer to him.Micah is trying to fix his life with not much luck in the way of his relationship with friends and family but has Brandon in his corner. Hopefully he'll stay there.The other Harris brothers, R.J. and Raidon are still trying to fix things with their mates as well. Outside forces threaten to ruin their lives.You have to read this straight through! I was not at a disappointment at all!!t was juicy as ever and had a huge shocker towards the end!

Man I have to say I did not see that coming at all but I am glad it did. I really think Dwight should have took his mother's advice. I don't know what this means for poor Zach. Can't wait for the next book. Great job Jaxon! !!!

I loved this installment of this master piece in the making. Mr. Grant you did it again. This is probably the best one of them all because I finally got what I been waiting for. I'm not going to spoil it for anyone but If you been following from the beginning you will most definitely know what I'm

The saga continues I really enjoyed this book it was definitely a page turner for sure. For the life of me I couldn't seem to put this book down all I have to say is Dwight and Zachary are meant to be,good job Mr Grant can't wait for the next book.

Amazing once again is the best way to describe this book. The twists and turns are worth the wait and I knew one I started reading that I would be able to stop until the finished the last page. I am in constant awe of Mr. Grant, his storytelling and the weaving of characters from his other books is truly masterful. I sit here wondering what is next for these characters and I have thought that for each book so far - I know that I will not be disappointed. Jaxon Grant is an outstanding storyteller and I am looking forward to the next book in this series!

I love it and a huge fan of life of a college bandsman collection. I have purchased all of them. I love a book that is at least 400-500 pages. I can relate to coming across someone like, Kyran, that have troublesome childhood issues that make them have a vendetta against all same gender loving folks. Everyone has issues from their childhood but it doesn't give them a right to mistreat others. I do not feel sorry for someone like Kyran and people like him can kick rocks with an open toe shoe
