This is a extremely, interesting and entertaining book to read and I thoroughly enjoyed reading all the stories in this book. It is compiled of one full length novel "Money Eyes" which is a romance novel and short erotic stories to suit every taste by covering various erotic scenes, BDSM and bondage. Some of these stories are very explicitly detailed and I would recommend this book to people who like to read this kind of book."I was provided with a complimentary copy of this book so I could give an honest review."
