Grade Level: Kindergarten - 3

## Customer Reviews

This book is about a snake named Verdi that doesn't want to turn green. Verdi is a young yellow snake that is very athletic. When Verdi visits other snakes that are old, boring and green he hopes that he will never be like them that is when the trouble starts. I would rate this book a 4 out of 5 because it was a good story and had great illustrations. I would recommend this book to people that enjoy reading about animals and to artists that like to draw animals.

When I ordered this book, the preview pages showed the book to be in English however, the one that I was sent was in Spanish. I am a Speech Pathologist and planned to use it in my classroom but couldn't since all of my students speak English. I was very disappointed that the seller took it upon themselves to change my order and send it in a different language.

I was very unsatisfied with the delivery of my book. The hardback cover was bent and wrinkled,

along with the corners. ^ ^ i ^ i ' •
