Best Sellers Rank: #139,358 in Books (See Top 100 in Books) #22 in Books > Literature & Fiction > Poetry > Themes & Styles > Nature

Customer Reviews

A charming collection of poetry. Contemplation on why animals do what they do, or just observations. Some serious, some light-hearted, but most of them quite enjoyable. If you're a furry and have any interest in poetry, I'd say it's quite worth the price of entry!
