Synopsis

Meet Blaire An underachieving college student with zero prospects and a ton of issues (hey, being the less-successful twin of a gorgeous supermodel would totally do that to you). She doesn't do bad boys. Actually, she doesn't do boys, like, at all. Not that she's a lesbian. And not that there's anything wrong with being one. It's just that she's kind of needs to focus on graduating from college right now. And she needs something from Ty. Badly. Meet Ty Mixed Martial artist, soon-to-be Welterweight champion of the Xtreme Warrior League and the hottest guy in the Bay Area. He's cocky, arrogant and completely off-limits to anyone with more than three working brain cells but dude, HAVE YOU SEEN HIS BUTT? On top of being a world-class player, Ty has a secret. And Blaire? She can barely even handle his truths. Life is about to throw a few knockout punches at both of them. Can they handle the pain?

Customer Reviews

Overall Opinion: I think this was one of those that I went into expecting greatness, and was sadly disappointed. I had huge issues with the pacing and time jumps. I like to experience the h and H developing feelings, and this had only a minimal amount of that. I ended up not feeling the

connection that much because of it. I also would've really liked to have some of Ty's POV. I thought the h was overly judgemental at times to where I would find myself rolling my eyes. She also had such a strong loyalty to her friend (which I can usually appreciate), but at times I wanted her to wake the heck up and realize that he might have other intentions!! But on the other hand, I was confused by the whole thing with the friend too. What were his real intentions? I still don't know!!! The ending was also another issue for me. I hate how some authors are having the conflict being resolved pages from the end, and we are not given any time to see them as a healthy and healed couple!**See [goodreads.com/NMmomof4](https://www.goodreads.com/NMmomof4) for my full review with spoilers**

Brief Summary of the Storyline: This is Blair and Ty's story. Blair is assigned her final for her journalism class to cover MMA, and she needs Ty for an interview. Ty is moving quickly up the ranks in the MMA world, and is the type of bad-boy that Blair knows she should avoid. They dance around their attraction, but finally Blair gives Ty a chance and they start dating. There are some sexy times, some friend drama, some big secret revealed...but they get a HFN ending.

POV: This was told in Blair's POV.

Overall Pace of Story: Not so great. There were multiple time jumps that I felt like covered some of the development of feelings between the characters that we really needed.
