Club Prive Complete Series Box Set: Alpha Billionaire Romance

Synopsis

Special \$2.99 cents deal for a limited time. The complete box set of all 8 Club Prive books, including the French Connection series. Who is Gavin Manning and why does he keep showing up wherever I go? What does he want from me? These are just a few of the questions law student Carrie Summers asks herself after running into devastatingly handsome Gavin for the third time at the opening of the hottest new club in town, Club Privé. Is he stalking her, or is it fate? Despite telling herself that she doesn't have time for a relationship, she finds his persistent attention flattering, and can't help but be attracted to those deep blue eyes. An evening of fun and dancing turns into the most incredible night of her life, and she still doesn't have a clue about Gavin. All she knows is he's an amazing lover. Don't miss the complete first series from MS Parker, but be warned - you might need a cold shower after this one.

Well I must say it's been awhile since I've read a panty busterCarrie & Gavin's is a hot love story filled with twists and turns. The sex is hot and the description makes you have to change your

panties.Carrie was a paralegal working for a high powered female attorney she decides to go out with her friends for a drink where they start to play a game to get men's numbers. Since Carrie was the first to play this game she turns to find a hot looking strangerGavin was the hottie that Carrie ask for his number which took him by surprise. Carrie decided she was not going to call .But, as fate would have it she kept running into Gavin.When they finally get together the steamy sex ensued as they begin to get closer he tells her about his little daughter and what happened to her mother who had been killed in an accident.There is a lot more of this book that has betrayal more hot sex and finding out who had caused the accident that killed his daughter's mother.More..but that would be a spoiler.This box set also includes a continuing story about Carrie & Gavin called "The French Connection".Tale of the possibility of Club Prive opening in Cannes the couple make their way to France to meet with the money people that's where the big problems start.Gavin and Carrie attend a party where he meets two girls that the money man has hanging on his arm. One of the girls happened to be an up and coming performer who attaches herself to Gavin to show him around which sent Carrie into overdrive.Carrie is in a fit when she comes back to the hotel where Gavin and her were staying only find the two women in their bed.Carrie was told that Gavin had invited them.
