# Quickies - 2014 Edition: Short Story Collection

## Synopsis

Here are 42 fantastic short stories I think you're going to love. Some are dramatic, some are loving, and some are downright dirty. The stories range from five-minute "quickies" to longer ones that take an hour or so to read. They're perfect for when you're stuck waiting in line, trying to relax for a few minutes before bed, or for a quick fix during your lunch break. Short stories have saved my sanity more times than I can count. This is a single author short story anthology. If you're a loyal reader of my work, you might recognize some old friends (with a few little extras). I love them...I know you will, too. A short story collection by Always the Good Girl, Shayne McClendon. NOTE: These stories may contain explicit sexual scenes and language (including domination/submission, multiple partners, menage, and same-sex) and are intended for mature 18+ readers only. Do not read this collection if explicit sexual content offends you. There are 42 separate stories that total more than 80,000 words. ## Customer Reviews

This collection is indeed made up of quickies, I think one of the best collections I've read so far. They are short, but oh so good. A little bit of everything, heartbreak, life stories, struggles, love and erotica, some excerpts from full length novels, which I've read all except one. You can be sure I will get that one too. If the author is new to you, I highly recommend purchasing this collection, you will fall in love with her books, the same way I did. Thank you Shayne for another wonderful read. Want more !!!

WOW! Fast and furious! Shayne brings the heat, once again. This time it's a collection of 'quickies'. Have a cool drink handy because just when you think you've caught your breath from one, the next story starts. You may think that you can spread this book out. It's short stories, so you can stop any time, right? Ummm, NO! You're just going to want more, but it's OK. All the cool kids are reading it, you should too!

I admit it, I'm a romance addict. And not just any ol' harlequin will do! I like my women strong, my men stronger, everyone with a heart of gold, and lots of 'good' scenes (if you catch my drift!). Shayne McClendon's Quickies fits the bill when you're short on time (waiting in line, picking up the kids, or on a lunch or coffee break) and need to escape the real world for just a second. And if you haven't read any of Shayne's other books, it's 100% the way to get your feet wet!

Since I discovered Shayne's micro stories I just can't get enough! She gives you enough to complete the story or poem and keeps you coming back for more. Just can't seem to get enough! Thanks Shayne!

This is a wonderful collection with excerpts from her books along with stories from her website. A lovely addition of poems and you have a beautiful sampling of Shayne's work. I received a copy for an honest review.

Great read...I love those micro stories.... it was really enjoyable ...Shayne McClendon can give us so much in so many ways .....I totally recommend this book as well as ALL her other books..she gives us her heart and soul :-)

Here a new fun and exciting sampling of hot sexy erotic stories from Shayne McClendon. A few include names we know from the books that made her famous. Don't wait to discover what everyone is raving about. These are just a few tales of some steamy sex scenes. These stories are about people and how they connection with each other. Warning: chances are you're going to find some deep heart felt connection and find yourself staying up all night with a box of tissues.

This is book is a bunch of really amazing short stories that all left me wanting moreThe poems were inspiring and made me wish I still wrote poetryAnother great book
