Bluestown Mockingbird Mambo

Synopsis

In this third collection of verse, Esteves takes all of the rhythmic, bluesy potential and the women's poetic militancy of previous works and brings them to full, resplendent, funky bloom, blending the oral and literary traditions in a fusion of spiritual, blues and women's poetics.

Customer Reviews

In this collection, Esteves captures cultural conflicts between NYC and small town New York, the irony between empty machines of war and the homeless, the life-saving sounds of music, and gifts we are given a birth. She is a master.

I had to purchase this book for a literature class that I took, but I was very pleased with the contents! I am not much of a poetry fan, but I enjoyed Ms Esteves'. Edgy and blunt, it cuts right to touchy issues and pain frosted with perseverance and hope. Buying experience was satisfactory and book was in condition listed.
