## Customer Reviews

I always liked Lorenzo from the first book & I'm so glad we got to read a little glimpse into his story with his Hunger Mate Maggie. Can't wait for the next book from the awesome Ms. Brandy Dorsch!!!!

This is going to be a short review but it's a short book, and I don't want to give too much away. It felt to be back with these awesome characters! I can't wait for my next adventure with them! On to my review...Who would have thought that being smacked in the face with a door would change the course of their life? Lorenzo certainly didn't, but it's exactly what happened to him!Eternal Beginnings is a novella, it is short and very good. I have enjoyed reading about Lorenzo and Maggie; they both seem to be great characters and show a lot of potential. I can't wait to see what Brandy has in store for them next.As with Everlasting Hunger, Brandy's writing style is fab. I was

drawn into Lorenzo and Maggie's lives so easily and felt a part of their story. I'm looking forward to my next encounter with Brandy's work.

I hadn't read anything paranormal in a long time, so it was good to get my feet wet again with a novella. This one was fast-paced and intriguing, with a dash of humor. Since I'm a weakling when it comes to gore, I was glad that this was a quick and entertaining read that didn't make me squeamish.

Maggie and Lorenzo have such a connection. I was immediately drawn into their world. There is so much packed in a few short pages, and now I really want to see what's next.
