## Customer Reviews

This book can't be rated with corny graphic stars! But it can be rated by inverted Nike logos. - what gives? It can also be rated with one of a kind .gifs in varying resolutions ... snapchat selfies...hashtag hashtag....glitter ... acid sheets ...+++ etc. Reading the book, you really get a sense that Heiko is Fresca, much more than he is Gatorade. Forget the Gatorade, soon it'll be Coke. Heiko, your mental puke is way cute and deep! I wanna watch you spoon feed the noise to a genetically modified tomato. Just please tell me someone is getting paid for the prolific product placements. Save the economy. Heiko DOES IT! Sorry this review is so long <sup>^</sup> Heiko's book reviews are single tweets. 50% of his followers RT :-). It means something different to 90% of those retweeting. Only 11% understand what it means to Heiko, but it means something cool to 100% of those sharing. These are impressive stats. Heiko, a Boy; he has a voice of his own, sweeter than Celine Die On's. Distinctive in its query rhythms + key strokes. He sometimes forgets and leaves the CAPS LOCK on, but it's always at the `right moment.' [commercial break] LOL. Heiko is not a basketball! But he has been a dog and he does hang out with Justin Bieber's mom. Justin Bieber doesn't talk to his mom since she started dating guys his age. Heiko is quickly coopting the word DOPE. Reader- better start saying "dope" more often if you want to keep your rights. Main problem: Title doesn't fit. On the

+ side: Maybe some suicidal people will pick it up and decide to live a little longer. Heiko- Are you really ready to die a violent death?
