Dark Stranger Immortal (The Children Of The Gods Paranormal Romance Series Book 3)

Synopsis

"I have absolutely loved each book in this series. The book was well thought out. The main characters and supporting characters were well written and hilarious at times. I truly enjoyed this book and recommend it to anyone who loves a good paranormal romance that is different from everything else out there." "I have literally been DEVOURING this series ever since I picked up the first book. This is going to end up being a huge hit, a big thing!" -Top 500 Reviewer

When Kian confesses his true nature, Syssi is not as much shocked by the revelation as she is wounded by what she perceives as his callous plans for her. If she doesn't turn, he'd be forced to erase her memories and let her go. His family's safety demands secrecy â " no one in the mortal world is allowed to know that immortals exist. Resigned to the cruel reality, Syssi is determined to enjoy what little time she has with Kian, one day at a time.

Kian and Syssi's story culminates in *Dark Stranger Immortal*, and the characters embark on a new adventure in book 4: *Dark Enemy Taken*.

Customer Reviews

This has become my favorite read for Summer 2015 each book in the series adds layers of enjoyment based on what has happened before we get to here. The romance aspect of this series is loving and positive I don't see any negative relationship stuff, well besides everyday relationship stuff LOL. I would also say that while it feels like the story is getting ready to peak I don't think it's going to this is a ploy of Author I.T. Lucas to lull you into a state of mind she can shake, rattle and roll you once she lolls you LOL. I guess what I'm saying is that she never fails to mix it up and give you what you least expect. I have said in previous reviews and continue to think as of this review the real trick to her talent lays in the dialogue and what she does with it, adding nuance and complexity to the characters. I feel like the dialogue is a way to link all the players together in some instances that normally would require tons of narrative. I'm not sure if there are any other installments ready but . . . I'm going to do a little research and move on with the series.

I have literally been DEVOURING this series ever since I picked up the first book. This is going to end up being a huge hit, a big thing! I have to admit, when I first started the series, the covers didn't not speak to me and I only picked up book 1 because it was free and recommended to me. The story, however, across the three books I have read, does not disappoint AT ALL! After the way book 2 left Kian and Syssi, I could NOT pause before moving on to book 3. I might have died if book 3 wasn't ready! Seeing Kian come back to Syssi in book 3 was everything I NEEDED and MORE! This is a beautifully calculated plot with an EPIC romance of star-crossed lovers. You don't want to miss out. This book is not lacking in any way. Love this series and can't get enough!

Engrossing. Enveloping. Enticing. Exciting. This is the world of the Children of the Gods by I.T. Lucas. In this third installment, the lives of Syssi and Michael, the mortals with the potential immortal gene, are put on the line. If they are not immortal, both may face irreversible brain damage and still have to leave their mortal lives behind because they have been allowed into the inner sanctum of the immortals. Syssi feels betrayed by this scenario and her lover and the immortal's regent, Kian, is not helpful because he wants her to have the freedom to make her own choices. This is very contrary to his alpha nature. However, circumstances on the horizon will take away everyone's choice. This third book did not disappoint as the love story for Syssi and Kian reaches a pinnacle

and one for Amanda, Kian's sister, launches. This book ends on a closed story arc, but to find out the conclusion of the battle between the immortal clans, I think I will have to pick up the Dark Enemy trilogy next. Personally, I can't wait. These books were that good. The entire trilogy is currently available and is a Kindle Unlimited offering.

In Dark Stranger Immortal, Syssi and Kian realize that they have fallen in love with each other, but Kian is an immortal with an indefinite life span, while Syssi is a mortal and will most likely stay this way. While their story nears its peak, Dalhu schemes to uncover the clan's secret location and to snatch an immortal female for himself. I loved how sweet and tender their romance was, balancing Kian's dominant and Syssi's submissive tendencies playfully and lovingly (the love scenes were so hot!). They are both such wonderful characters, and I hope to read more about them in the next book, Dark Enemy Taken, that continues the saga with another couple taking the lead.

This book hits you completely with the suspenseful play! I seriously don't know where to begin with this one. Syssi is curious about Kian and his family. Like the old saying goes, "Curiosity killed the cat." Well in this case, Syssi's trust. However, true love prevails. Syssi and Kian were destined for one another. Their chemistry is absolutely breathtaking and amazing. Honestly, I'm jealous of it. It's one of those you ache to have yourself, minus the hidden secrets. Dalhu is still being his sneaky self. Only now his plans are to discover where the clan is hiding Syssi and kidnap her for his own personal use. On the other hand, his relationship with Amanda may transform him. I'm eager to know if she can do it! This series keeps getting hotter, intense, and more addiction with each page. Time for Book 4!

Loved it! Read the first book in one weekend and was anxiously waiting for the second one to come out. Read the second one, and was thrilled with the development of the plot and the characters. Now reading the third one and enjoy every minute of it. Highly recommended series!

Dark Stranger Revealed picks up where Dark Stranger The Dream left of, with Kian walking away from Syssi, and planing to keep his distance while she is hiding in the clan's secure high rise. But his resolve soon falters and he seduces her. Syssi is powerless to resist her attraction to Kian, even though she doesn't believe a man like Kian could want her for anything meaningful. While both Kian and Syssi try to convince themselves that their relationship is nothing more than a casual, short term affair that would last only until it's safe for Syssi to go home, the torment each of them feels at

the prospect of parting says otherwise. The plot thickens when Dalhu, the leader of the enemy unit, learns from Amanda's stolen research papers about Syssi's and another test subject's strong paranormal abilities. Dalhu plans to snatch the two potential Dormants for himself and to discover the location of the clan's hideout. Meanwhile, Syssi starts to notice peculiarities about Kian and his people, and piecing together a scary but mistaken picture. she decides to run. If Dark Stranger The Dream was hot, then Dark Stranger Revealed was scorching. And if the first one had me panting with anticipation for what will happen next, this one had left me breathless. Can't wait to find out!
