# Letters To My Daughters: Poetic Affirmations Of Love From A Father

## Synopsis

The author has written this book not only to dedicate it to his daughters, but to inspire, empower and encourage daughters around the world of all ages'. This book is a great tool to catapult daughters into a life of empowerment, inspiration, and strength to become successful at all their present and future endeavors. This book should be read and discussed in many different forums around the world. In his book *Letters To My Daughters: Poetic Affirmations of Love From A Father*, Avery Washington affirms his adoration and appreciation for his daughters in an incredibly endearing and empowering way. His poems flow from the heart of a protective father to the soul of a young girl who is learning herself and finding her way in the world. His poem, "God's Creation," reminds the reader of who she is and let's her know that she can use her intelligence and beauty to become all God created her to be. "Self Love" is a poignant reminder to all women that the power of love emanates from within and is a gift from God. In "You Are Never Alone," Avery applauds single mothers and charges them to press on and press in. He encourages them keep their heads up in order to be the foundation their children need and recognizes motherhood for the gift that it is. These poems are filled with words of inspiration, wisdom and power. His ability to transcend the page and go deep inside the heart of the reader is astonishing. The world is full of broken women and Avery Washington's desire to minister healing and wholeness through the written word is evidenced throughout this book. Author, Avery Washington's book, *Letters to My Daughters* comes at a time where it seems obsolete that fathers are instrumental in their daughters' lives. It is so refreshing to read a collection of poetry dedicated to celebrating our young girls who will one day appreciate that love of their father. The author so profoundly reminds us that the first love a girl has is that of her father. We believe his purpose for writing this book holds to the fact that young women go through various dilemmas as a result of an absentee father. The love that the author poured into his poetry, on behalf of his daughters, is very inspiring in a society where young girls search for acceptance in all the wrong places. This book of poems is a true gem because the author infuses life lessons, support, encouragement, love, and God to show us that it is essential that a father be present in his daughters' existence. Author, Avery Washington could have just easily spoken these very words to his daughters on a more personal note. We celebrate that he shared the love he has for his daughters through poetic versus whereby, other fathers will be encouraged to become the first love in their daughters' lives. *Letters to My Daughters* is written to strengthen the bond of the father/daughter relationship where it will become the norm for a young girl or young lady to truly know her father.

## Customer Reviews

What a wonderful book.I have known Avery for several years now, and I never knew he had it in him to do this. I suppose I should have realized by how family oriented this man is.Believe me when I say, this author is extremely family oriented...and actually lives what he says in this book.I thoroughly enjoyed this book and would recommend it to everyone!!!Bravo Avery!

Mr. Washington you have really painted pictures through the love you possess for your daughters and wife, but most of all, for God as a platform for single and married couples. I can witness and attest to this love because my brother shared it with me. My dad was in the world, but God always have things according to His will! Thank you soooooo much for these letters. This is a wonderful book!

OMG! My three sons? No! My three daughters. The fact that a man would unleash to his three daughters, a roadmap, with explicit directions leading to self-esteem, compassion and the purpose

of God in their lives is rare in any age, but in THIS acquisitive one, it is truly unfounded. No instructions as to how to become rich, powerful and conceited? Surely, Mr Washington has lost a few marbles on his way to the playground! LolWhat a treasure trove of love in the first degree Mr. Washington has bequeathed to his three daughters by writing this book. A book that has sealed the purpose of his family tree; a work that will surely be passed down for generations to come. If you are a father/mother who has daughters; do yourself a favor and pay it forward by seeding this book to them. You won't regret it.Thanks Avery! For what you have said to all of us, and your three daughters, by writing this book. Inspiring and informative!

Never having experienced a father's love didn't resonate with me until I heard someone point out what the lack of it did to a female. I disagreed as I didn't see myself as that and/or in that light. After realizing some things, I took a closer look at me than watched myself consistently as well as females around me. I wanted to see, learn....I did. This book was thought provoking, fuel for my imagination and a comfort. It addressed so many of those "things" and it makes me sad but even more determined to make sure the males in my life know what they can do to their daughters.In this time when we have so many young fathers, this collection of "Letters To My Daughters" could be a teaching tool, even a blueprint to learn from. Mr. Avery has penned life long lessons in prose the is easily understood and enjoyed. It could also encourage and make even plant so seeds in the minds of our females. I love Discipline and Love, I am experiencing these moments with my young adults now....hence the comfort and Stay True To You is one that many females today need to read, hear see and feel. There are moments like this through out this collection and I am glad to have experienced it.I am currently on my second read. Thank you sir for another great collection of poetry that is so timely and engaging. I give this 5 stars.

I love this book because it shows a fathers love for his daughters in a positive light. With so many absentee fathers out there, it is nice to find a book that celebrates the strong bond of the father/daughter relationship, and Letters to My Daughters does just that in bringing about a warmth and truth that confirms that every young girl needs her father. I would highly recommend this book to not only fathers, mothers and daughters but to the entire family, for it takes a village to raise a child. Thank you Avery Washington for presenting a great work for your daughters and our young girls who will one day grow into beautiful women, because someone took the time out to say I care.

This gem of a book captures Avery Washington's sheer talent,humility,and love for not only his

daughters but for wives, husbands, and sons. This book has content for just about anyone who needs family-focused letters to share or simply create a special love note to leave out for a surprise for their daughters or wife to read for any occasion. Although my daughter is all grown up now and has a daughter of her own, this book has inspired me to love her even more. The bonus Quotes in back of book are unequivocally "must reads" for anyone striving to succeed with their daughters, entire family, or in their business ventures. Looking forward to his next book. I really hope it happens!

Letters to my Daughters deserves to be on the coffee tables across the nation. This book has inspired me so much. Though, I do not have a daughter, I have a son but somehow the jewels embedded in the passion and determination that Avery is presenting to his daughters I can still share and have shared with my son. Being an adult, I am still my father's daughter and in his physical absence from my life, this book echoes what my father has expressed for me during my life while he was alive. In such a dark world we are sometimes forced to live in, it is true inspiration and love for family where the light begins and I appreciate this book. I thank Avery for sharing his love for his daughters with those of us who have been blessed by this book! Ready for the next one.
