HarperCollins Spanish-English College Dictionary (Harper Collins College NÂ° 2) (Spanish Edition)

Synopsis

This single-direction Spanish to English dictionary allows you to look up words instantly while reading on your Kindle*. Revised and updated to cover all the latest vocabulary, the seventh edition of HarperCollins Spanish-English College Dictionary is an ideal e-reading companion for intermediate to advanced learners. It draws on Collins's™ unique databases of Spanish and English to ensure that you have the most complete and accurate picture of real language available today. • Set this book as your Kindle's default dictionary*, and you can look up words without interrupting your reading experience. Simply move the cursor in front of a Spanish word, and a quick English translation will pop up on screen. • For more detailed study needs, open the dictionary and type in a word to view the full range of translations and idiomatic expressions offered. • Contains all the latest vocabulary from a wide range of fields, with special feature entries about life and culture in Spanish-speaking countries. • Includes more than 255,000 references and translations. • Example sentences, usage information, and detailed translation notes ensure you select the right translation. • Spanish verb entries contain hyperlinks to key verb conjugations. • The in-depth treatment of complex words, practical tips on spoken and written Spanish, and extensive coverage of Latin American Spanish make this dictionary the ideal tool for intermediate to advanced students. • Note that this volume contains the Spanish to English portion of HarperCollins Spanish College Dictionary. For the English to Spanish section, please purchase the companion Vol 1 English-Spanish (ASIN B0052ZQL9W). *Fully compatible with Kindle Voyage, Kindle Paperwhite, Kindle, Kindle Fire with Fire OS 4.0+, Kindle Keyboard, Kindle Touch, Kindle DX, Kindle for Android (version 4.0+), and Kindle for iPad/iPhone (version 4.0+). Default dictionary feature is not supported on Kindle Fire 1st/2nd generation, Kindle for Mac, or Kindle for PC.

Customer Reviews

*** UPDATE: 5/11/2012 For the Kindle Touch, the problem described below and in other reviews where certain classes of conjugated verbs are not recognized has been fixed in software version 5.1.0 and all of the examples I give below are now handled correctly. It is worth stressing that this problem was a Kindle Touch software problem, not a problem with the Harper-Collins dictionary itself. I still maintain this is the best and most thorough Spanish-English translation dictionary for Kindle that I have seen and therefore I am changing my rating to 5 stars. I highly recommend this dictionary, but do be sure to update your Kindle Touch software to the latest version (go to Kindle Support, Kindle Software Updates on the website). I must also commend the dictionary e-publisher, Intangible Press, for their attention to this issue and pursuing it with to ensure that a fix was included in the Kindle software update.*** END OF UPDATE All in all, this is a very good dictionary and the best spanish-english dictionary I've seen that integrates with the Kindle (but not supported for Kindle Fire or Kindle apps). It is relatively comprehensive, although not as thorough as some printed dictionaries. It includes important modismos (slang expressions), with example usage in the definitions. This is useful when reading an expression that seems not to make much sense since pressing what you would guess is the key word in the expression to bring up its definition usually allows you to find the appropriate modismo, although you are likely to have to display the full definition and look for it (the price of comprehensiveness and completeness).
