ISBN-10: 8480163801

ISBN-13: 978-8480163804

Product Dimensions: 9.2 x 6 x 2.3 inches

Shipping Weight: 3.6 pounds

Average Customer Review: 4.2 out of 5 stars [See all reviews](#) (22 customer reviews)

Best Sellers Rank: #532,324 in Books (See Top 100 in Books) #294 in [Books > Libros en español](#) > [No-Ficción](#) > [Educación](#) > [Referencia](#) #442 in [Books > Libros en español](#) > [Referencia](#) #653 in [Books > Textbooks](#) > [Reference](#) > [Dictionaries](#)

Customer Reviews

The etymology is clear and concise, and it is the part I used quite often. However, its letter size is too small; it is about not larger than a size #6. It is very difficult to read and use. Each time I need to take off my reading glass and read the fine printed words in a very close range. What a way to punish a reader!

This dictionary was just what I had been searching for: a relatively compact but all-inclusive Spanish dictionary for about half the price of a similar one I had checked out at Border's. The only drawback I've found so far is that some of the definitions include the original word within it, sometimes making it unclear.

I find the resource helpful as I work as a legal interpreter. There are examples along with the definitions which always helps. The greatest drawback is the print. Very tiny. Almost feel I need a magnifying glass to read the definitions, etc.. If you can get over the need for reading glasses or a magnifying glass, this resource is a good addition to any professional language library.

This is the most comprehensive Larousse dictionary I have owned. After studying Spanish for 10 years, I wished I had gotten it sooner! I used this book while traveling, but mostly academically. There are many entries that give more examples of meaning than other dictionaries. This was recommended to me by a professor and I would recommend it to another student.

Considero que es un buen Diccionario, la persona que puso el primer comentario no conoce bien el español.

¡Me encanta este diccionario! Es grandísimo y hay tantos términos que yo no conocía. Me gusta la forma en que se describen.

Un muy buen diccionario para los estudiantes que necesitan un diccionario unilingüe. Y además, un precio interesante para esa calidad. Muy satisfecho.

This product is very helpful when I need to look up words in Spanish. It is very thorough and I haven't experienced any problems with it.
