Great balls of fire! Claimed (Demon's Mark 5) is the fifth installment of the amazing new serial by Nora Ash. This just gets better and better! Oh my! I was totally and completely spellbound from beginning to end. The story is exciting, original, dark, powerful, addictive, compelling, thrilling, riveting, arousing and sexy. The dialog is smart, well written and flows smoothly. The characters are imaginative, fascinating and intriguing. I absolutely love it. As a child, everyone thought Selma's strange behavior was just a result of a child's overactive imagination but as Selma grew older and

the "hallucinations" continued, her parents worried that she may be mentally ill. She was bounced from one doctor and mental facility to another until she finally realized she must lie to everyone and pretend she didn't see the monsters that seemed to leer at her and follow her everywhere. And for years, she managed to hide it well until she was viciously attacked by them. Now at almost 30 years old, she felt alone, desolate, defeated and very afraid and as a last resort, admitted herself for treatment at Ravenswood House. Little did she know that the monsters she saw were very real and that her new doctor, Martin Hershey was actually a monster himself and had so much more in store for his lovely new patient than just psychiatric therapy. Now he wants her for himself and no matter the consequence, he's determined to have his little breeder. But Kain, Lord Protector, realizes that he has betrayed the trust that the lovely Selma has placed in him and will do anything to claim and free her. But will he be able to let her go? Selma has been branded, humiliated, chased, assaulted, betrayed and captured. Will she ever be able to escape her "demons" or will one demon be her salvation? Oh my! I couldn't turn the pages fast enough! So deliciously dark and delightfully wicked! I loved it!

Very well written series, and hot, hot, hot. I'm actually not looking for much plot when reading erotica - the author gives just enough story to tie it all together, gives us a reason to care about the characters, and even gives you a reason to sympathize with the "bad guy." Lovely bits of kinkiness abound. Kind of expensive to read the whole series, though. I got the first one free and was hooked, so well done, Ms. Ash.

Selma and Kain have now met but what if she is taken and by whom will Kain fight for her or let her go .Selma who comes across someone she never thought she'd ever see again . He threatens her as to whom does this well if you have read the prior books you should know . those who have not well you need to read the prior books before reading this due to skipping a great deal of info . Has Marathin given up on searching for Selma after she had run away . or will he find her and reclaim her . and if Kain lets her go will he realize she was born to be his and no one elses .this is part of the box set series . and from ROMANCEARC given in exchange for a honest review .

Wow! The storyline gets better... I was going to wait for the author to finish the series.... am glad I didn't! Book 5 was absolutely great. Can't wait for the next few books. Claimed was great as it explored more of Selma's character with Kain, and Dr Hershey - and the definite PLUS... the steaming HOT sex scenes!!!!

OMG I loved this book! Right now I think it's my fave of them all! Well until the next one! Lol Salma gets put in the auction, but what happens before hand is just crazy, scary and releasing. Kain can't stand that Salma has been taken from him to be sold at the auction and he doesn't want her to end up like his mother! So many things happen in this book I can't stress enough how much you need to read this series! Nora I need the next book like yesterday! Lol it is truly amazing and I'm so hooked that I can't get enough!

The author is a great writer -- no doubt. I simply didn't like the direction of the books. It didn't get to that point of no return, (from going dark to turning to mushy romance) but I was turned off by Kain's character. I liked Dr. Hershey best. I won't read the last book because I don't want to be disappointed. I gave it three stars to be fair.

This book was absolutely amazing. It has everything I wanted and more in a book. The sex was powerful, passionate and just beyond words. I highly recommend this book.
