Customer Reviews

I was drawn to getting this box set of the first two books by the synopsis. It sounded really interesting two people entering a Dom & Submissive BDSM competition. We meet Lucian & Tara while they are standing in line for the interview portion of Dom Wars. Both are entering for their own personal reasons Tara because she needs the money to take care of her grandma. Lucian because he's not finding any fulfillment in his job or personal life. They get to talking & after the interview part for Tara they decide to help each other. But things get a little confusing because Tara wants to be the Dom but Lucian is the true Dom in this pair. So during the first rounds of the Dom wars they are trying to pass the tests & feel each other out & see how far they can push each other. Surprisingly

without having had I known each other before hand they keep managing to make it through the competition rounds. I really liked that even though we know this book is about BDSM & that it's an erotica book. There's so much more to this story than just sex. We really get to know these characters as they are getting to know each other. We see the progression of a good strong, trustworthy relationship being formed. I really liked that about this book, I've read quite a few erotica books & there are many of them that I felt no connection with the characters. Lucian Bane did an amazing job pulling me in and making love the characters & root for them.

Not your run of mill dominance and submission story, Dom Wars revolves around Lucian (an experienced but reluctant Dom) and Tara (a woman just trying to keep Granny out of the old folks home) who are paired up as contestants in Gladiator's Dom Wars Reality Show. There is a lot of chemistry between Lucian and Tara, though they clash at every turn. Lucian Bane gives up what on the surface seems a light hearted fun read but glimpses of the true people beneath the sex and competition hints at deeper more complex people. Reading as Lucian and Tara take turns as Dom and revealing more and more about themselves makes this a great read.

Lighthearted...hilarious...with just the right touch of BDSM! I laughed out loud so many times the people at the gym around my treadmill asked me what I was reading. Now how do I explain this series to them? LOL!!! Hard to put down! OMG...this series is a definite SAVE and reread. Would love to meet the author!

Okay when I first got Dom Wars I was thinking it would be just about the BDSM. AND I will admit I thought it would just be all raunchy scenes. Oh how I was wrong. Well I mean there is hot sex scenes but there is way more in this story than just that. I loved reading this book. The author had a way of keeping me on my toes with the characters so it didn't get to boring and had me guessing. PLUS who doesn't love a strong, hot Dom that is sexy and actually cares. I can't wait to read more of story. Kudos Lucian Babe on a greatly written BDSM story. I would definitely recommend this book(s).

In a today's world where books about hot, successful, billionaires sweeping young, inexperienced women off their feet and lavishing them with gifts and amazing sex dominate; Lucian Bane throws his own sexiness into the mix. These characters are real, tangible, people we can all relate to. That is one of the many reasons I love this series. Lucian Bane meets Tara Reese while waiting in line to

audition for Dom Wars. Both have different motivations, but the same goal. Win Dom Wars and win the Million dollars. Tara is very inexperienced in the BDSM world where Lucian is a Master. Teaming up is their best option and what a team they make! Together they provide the sexy, sensual, hilarious experience and make us all fall in love. They are fighting to see who can be the Dominate in their relationship. Throughout all 3 books they work to find a way to balance the need they both have to dominate. You will not be disappointed!

I stumbled across this author and boy am i glad i did! I was sucked in and didnt want to leave until i read the whole series(which i did in 2 days!!)The characters in this book, Lucian and Tara, were complete opposites to me at first until you start to get deeper into the books and realize they arent that different. I found myself wanting to jump in the book just to experience the hotness all around!!Also i want to thank the few 1 star reviews as you were the last little shove into getting this series as i love seeing what gets some peoples panties in a bunch.Thank you Lucian for a wonderful series and i cannot wait for 2nd semester!!

I liked the different story line of Dom Wars...very unique with the challenge of competing in BDSM on a reality type show. The challenges were unique and I enjoyed how the characters had to break down one another's emotional walls to "find" each other and a little of themselves in the challenges. Some areas felt rushed and the dialogue threw me sometimes, having to reread it to figure out who was talking...otherwise a good but different kind of read. :)

Wow! Loved this box set and reading it knowing a man wrote it made it even better....you broke down the meaning of BDSM in a whole different way than I have read in other books..and I also like how you used your name as the character... Really enjoyed this...seeing Lucian break down walls that Tara had built up over her course of life with all the BS she has had to endure in her life...if you have not read this then you missing out!!!!
