Lucky's Choice (The Last Riders Book 7)

Synopsis

Life dealt him a dead man's hand. Lucky had always led a life of service. Always put his life on the line for someone else, managing to survive by pure luck and skill. After bringing an end to a multi-state drug ring, he was finally able to live the life he had wanted as a Last Rider | A good man would walk away and not touch the curvy woman who had been tugging on his heartstrings. Lucky wasn't a good man. Therefore, the bad-ass biker in him had a choice: once again become the man he had pretended to be and stake his claim, or take the devil's highway. Some girls had all the luck. Willa wasn't one of them. All she wanted to do was give a home to the children she had made orphans. Instead, she found herself needing help from the man who had left the pulpit behind to embrace a life of sin. Painfully shy and withdrawn she wanted a quiet life, a simple man, and well-behaved children. The last thing she had ever expected was for Lucky to want her size twenty body and show her a passion that would lead her straight to hell. *WARNING* This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Please do not buy if strong sexual situations, multiple partners, violence, drugs, domestic discipline, BBW, and explicit language offends you. *NOTE TO READERS* This book is a stand alone story. Customer Reviews

I felt like I missed something reading this story. It starts out the this beloved, awesome H being a complete d*ck to the h. So much so and for so long that you NEED him to suffer at her hands from it. She needs to be able to tell him off, rub it in his face, get laid right in front of him...SOMETHING that would make him feel like the complete douche he was. However, there was just a starting point in the book where he decided he needed to do what he needed to do and that was be with her. I felt like as the reader I wasn't privy to this information and therefore read about him basically saying "okay, we're a couple now, put your church clothes on, let's go" and was like whaaaaaaa....? After that it just very hard for me to believe that he wanted to be with her. I also don't like that it's totally okay for the men to sleep with whomever outside of the club they want, but their women can't. Even though the women don't belong to any members, they still can only sleep with members. Starting to get to slim pickin's bein that we are on book 7, huh? Luckily a few new characters from other characters were introduced. I don't really care about the whole Bliss thing as much as I did before (if you don't know what I'm talking about, don't read this book - start at the beginning). I mean, she is what she is, this shouldn't be news to the men at this point. If she decides to throw another tantrum, then it'll be totally expected and not surprising at all. I think I could see her as redeemed. It's not like I don't like her, she's just an idiot. Very hard to start caring for and rooting for a h whom you think pretty much deserves everything they get and then some. But if anyone can pull it off it's JB. I mean look at this book.
