Five Modern No Plays (Vintage International)

Synopsis

Japanese No drama is one of the great art forms that has fascinated people throughout the world. The late Yukio Mishima, one of Japan's outstanding post-war writers, infused new life into the form by using it for plays that preserve the style and inner spirit of No and are at the same time so modern, so direct, and intelligible that they could, as he suggested, be played on a bench in Central Park. Here are five of his No plays, stunning in their contemporary nature and relevance and finally made available again for readers to enjoy.

Book Information

Series: Vintage International

Paperback: 224 pages

Publisher: Vintage (December 1, 2009)

Language: English

ISBN-10: 0307473112

ISBN-13: 978-0307473110

Customer Reviews

I've been a fan of Yukio Mishima since I first heard of him and watched the film version of *Mishima: Life in Four Chapters*. I have friends who say he is too morbid, although I find his work deep, serious, it is also fascinating. In this collection, there is actually some bright spots, I even laughed during the first play. My old version of this book was regular paperback size, yellowed, and deteriorating. So I happily bought this newly reprinted version. There are five plays presented here of different topics and settings, but all are interesting. I wish there were more English translations of his works, I've read them all and want to read more.

Stark and startlingly beautiful, these plays will grace, enchant, mesmerize and haunt you as long as you live. The No play is here proven to be a fully contemporary vehicle for the exploration of abiding existential questions even while tearing your heart out with the beauty of it all

These plays represent some of the most advanced, haunting and enchanting writing to be found in dramatic literature. A must for anyone involved in the theatre.

i find everything I take the time and money to order always near my expectations. But i love the range of titles and direct delivery more than anything else..truly,s.j.
