# Invisible (An Ivy Malone Mystery Book #1): A Novel

## Synopsis

She's not your average crime fighter! Ivy Malone has a curiosity that sometimes gets her into trouble, and it's only aggravated by her discovery that she can easily escape the public eye. So when vandals romp through the local cemetery, she takes advantage of her newfound anonymity and its unforeseen advantages as she launches her own unofficial investigation. Despite her oddball humor and unconventional snooping, Ivy soon becomes discouraged by her failure to turn up any solid clues. And after Ivy witnesses something ominous and unexplained, she can't resist putting her investigative powers to work again. Even the authorities' attempts to keep Ivy out of danger and her nosy neighbor's match-making schemes can't slow her down. But will the determination that fuels this persistent, quirky sleuth threaten her very safety?"I laughed out loud. ## Customer Reviews

As a senior citizen most of the time society pays you little attention; to most elderly people this is peaceful, but to some like Ivy Malone, it is a great advantage to get what she wants. In Ms. Malone's case, it's useful for going unnoticed (hence the title "Invisible") during any of her investigations. So when a local cemetery where her aunt and uncle are buried is found vandalized, she plans to avenge her relatives and decides to spring into action. Thea, the next door neighbor and best friend of Ivy Malone has just died. Before she went she rented part of her home to a young lady by the name of Kendra Alexander. During this time Ivy feels as though everyone in the world is passing by her, or as if she really has no importance in life. However, as soon as she learns of the police deciding not to investigate a local cemetery being vandalized she feels a great breath of inspiration and starts taking action by herself. Soon the investigation seems to get more and more dangerous for Ivy Malone, as shortly after deciding to take the case young Kendra Alexander is reported missing and eventually found murdered in a nearby river. Using her "invisible" status, Ivy Malone does some great sleuthing until she eventually finds the vandals and they are apprehended by the police. There are many things that make Invisible good book. One of them is the fact that although it's a mystery, it uses a humorous tone all throughout. So not only are you pulled in by the captivating tale of the mystery, but also by the comedy that will keep you even more entertained. In addition to those reasons, the book also discusses deep topics on things such as religion and about where you belong in society. I would recommend Invisible to anyone willing to have a good read.
