Lippincott CoursePoint For Porth's Essentials Of Pathophysiology: Concepts Of Altered Health States

Synopsis

Lippincott CoursePoint is a fully integrated digital curriculum solution for nursing education. CoursePoint provides a completely integrated and adaptive experience, all geared to help students understand, retain, and apply their course knowledge and be prepared for practice. CoursePoint is structured in the way that students study, providing them the content exactly where and when they need it for a more effective learning experience. The powerful integration of adaptive learning, powered by prepU, with the premium digital course content provides a personalized learning experience that drives students to immediate remediation in their course content and allowing instructors and students assess their progress in real-time. The digital textbook is downloadable, so students will have perpetual access to this content. 978-1-4698-9480-5 - Lippincott CoursePoint for Porth's Essentials of Pathophysiology, 4e, includes integrated access to the ebook and adaptive learning, powered by prepU.
