# Their Captivated Bride (Bridgewater Menage Series Book 3)

## Synopsis

USA TODAY Bestseller "When it was three against one, I was always going to be overwhelmed." The Bridgewater way of two men marrying one woman is uncommon in the Montana territory. But three men marrying one woman? That is unheard of, especially for beautiful Olivia Weston. Her fate, it seems, will have her married to one man - a man she doesn't love. But when her betrothed treats her in a cruel manner, she rejects him and not long afterwards catches the eye of three handsome and virile ranchers. Cross, Rhys and Simon are as different as three men can be. But they have one thing in common; they are determined to offer Olivia the protection of marriage and the promise of endless carnal pleasures. Olivia worries that her instant attraction and hasty agreement to marry three men stems from a defect in her character. What kind of woman not just love three men, but make the most intimate parts of herself available to their lustful attention? The chemistry between them is like lightning. Can she deny it? Or will Olivia submit to become the most sated Bridgewater wife in this ongoing ménage series? Bestselling author Vanessa Vale strikes gold again with a story bound to appeal to fans of her special brand of Western erotica. No-holds-barred sex, fast-paced plot, rugged men and the women who love them have seen the Bridgewater books topping Western erotica charts with each release. Don't miss the latest - and sexiest book - in this series. Book 1: Their Kidnapped Bride Book 2: Their Wayward Bride Book 3: Their Captivated Bride Book 4: Their Treasured Bride Book 5: Their Christmas Bride Book 6: Their Reluctant Bride

## Customer Reviews

Not a 5 star book, but could have been 4 with better editing. Character Belinda became Melinda for a few pages. In a menage sex scene it is important to keep the participants straight in your description. Several times the names were mixed up. Other than these criticisms, it was a good quick read which I enjoyed.

Olivia Weston, had plenty of suitors. Now having had the attentions of a scoundrel, namely Mr. Peter's. Her uncle has made it his mission to marry her off to a set of men, (familiar with the traditions and customs of these men lifestyle. He has no reservations, especially after the destruction of their home. However the idea of three men has her exhilarated and scared all at the same time. While leaving her beloved uncle, it's the only way to escape the danger that Mr. Peter's represents. Cross and Rhys can't believe their eyes as their friend is conducting business, they have found the one! Simon McPherson, having concluded business is completely blindsided by what he is witnessing. . The friends clue him in and it isn't long until they present themselves to Olivia and her uncle. In a twist of fate, Olivia's Uncle Allen tell the men his niece needs protection pronto! It's not long til the men are summoning the minister. From this day forward they are sharing, a wife a wife to love and treasure..to protect and honor. But with all there protective instincts on full alert ,they know they will have to lay to rest the ghost of the past...namely Mr. Peter- it has the men seeing RED! Gave the Book 5 stars, the writing is first-rate, the characters are simply sensational, the storyline, out of this world, the book transports you to another place and time. Bridgewater! The sex us truly mind blowing, then care the men display is endearing and intoxicating. Can't say enough about the book/series. Vanessa Vale is awe-inspiring, the fact that each book can standalone (but together its magnificent). The series just cements the fact she is the absolute, hands down best in Historical western Erotica. The books just keep getting better. The series is beyond five star- EPIC!

Vanessa Vale's Bridgewater Menage series just keeps getting hotter. With "Captivated Bride," she hits the trifecta with not just two husbands for the latest female hitched Bridgewater style, but three. There's a lot of action, and a less skilled writer might find herself giving readers repetition. But not

this one. Cross, Rhys and Simon are as different sexually as they are in personality, making each man a unique husband for Olivia Weston, who finds herself married three times to escape the clutches of an abusive suitor. The western backdrop and ongoing thread of the Bridgewater men make each book familiar. Picking up a Vanessa Vale book is like falling back into a comfortable bed, just knowing you're about to be shown a good time. It's just a shame we can't get three cowboys like Olivia. The only reason this book is getting six stars is because it can't get ten.

This is the second book I have read from this author. Again I have been disappointed. The editing is poor. How can you not notice the name is Belinda for many paragraphs and then changed to Melinda for a few more paragraphs and then back to Belinda. For me that is a huge mistake. I also found the story to be dispassionate and disjointed. The author doesn't make you feel what the characters are feeling. You don't find yourself getting involved. This book was offered for free and that is the only reason I gave this author a second chance. But I will not read any of her stories again. I have authors that are better writers to read.

The writing in this series was cheesy, and I love reading about poly-relationships. Maybe because I have read these better written works with a storyline and plot that make sense, characters that the reader can connect with, and scintillating sex scenes, I am THOROUGHLY DISAPPOINTED in this series. So much could have been done and said if the background of the Bridgewater men could have been properly developed. Instead they were shamelessly cast aside like two-dimensional afterthought. And the wives? OMG can they really be this stupid? It's no wonder the husbands have to train them, they cannot think for themselves if their lives depended on it!

Who knew three guys could satisfy one woman. Olivia has been told she will feel lightning when she meets the guy who is supposed to be hers. No one told her it couldn't happen more than once. She first meets Cross and Rhys at a dance and feels an instant connection to them both. Her uncle who has raised her shares a secret with her. She meets the third lightning bolt later that night Simon. These books are hot and way too short.

I didn't care for this story too much. It was as if the author was using modern terms in a historical setting. I skipped a lot of the story, because it just didn't hold my interest. I'm not sure I will read this author again.

Olivia has lead a sheltered life. She meets Cross and Ryhs at a country dance and feels the lighting her Uncle told her about. She is confused bu her feelings. When her Uncle shows Rhys her wrist and explains he makes sure the others know. That night when her house is attacked her Uncle/sends for the guys. Will she accept what her Uncle has planned? Will she be able to handle all three of them? Will her attacker find her at there ranch? What will happen next?
