Wicked Ride (The Wicked Horse Series Book 4)

Synopsis

I think this woman may be the death of me. A dire prediction, but probably true. Probably true because she's not mine to have and I'll probably take her, even at the risk to my own safety. So many men slobbering to get a taste of her and only one, sweet, virginal girl to go around. That's right. She's a virgin. Looking like a porcelain china doll that would break if not handled carefully. But I also know she's stronger than she looks. She's a contradiction. She's most likely my downfall. Like I said, she'll probably be the death of me, but it's a risk I'm willing to take.

Customer Reviews

It's no secret that I am wildly addicted to Sawyer Bennett's The Wicked Horse Series. Yes, this series is dirty, sexy, smutty, and wildly erotic and that's what makes this series oh so sinfully good. Toss in the fact that Ms. Sawyer has a knack in whipping up some hot dirty talking alpha males then you know you are in store for a wicked ride. And let me just say, Ms. Sawyer has readers like myself begging for more. When Logan pulls away from me, his eyes peer into mine. I read what he's saying loud and clear, Another time. Another place. I wonder what we could be together. I know exactly what you mean, I tell him softly. If you have read the previous

books of this series, then you all have met Logan McKay. If not let me refresh your memory, Logan was involved in that infamous hot threesome in *Wicked Need*. Yes, you ladies know what I'm talking about. You probably have that scene highlighted and bookmarked on your kindle. Anyways this time, readers can finally learn and discover who is Logan McKay. And boy oh boy, this fantasy maker has one dirty filthy mouth that will have you salivating. As one of the fantasy makers in *Wicked Horse*, Logan is a sexual creature. He loves sex regardless of gender. And he uses sex as a distraction to forget his painful past. So while at the Silo, he is intrigued with the newest girl that is being auctioned off. Auralie, is the twenty year old virgin who has caught the attention of Logan. Logan is well aware that he can't afford to buy Auralie's virginity with his measly salary but he can't help but feel a connection to this beautiful vixen. She was like a siren calling him and so when Auralie's owner allowed Logan an opportunity to taste Auralie, Logan knew that he couldn't pass up on the offer.

Another great book in this series! This one was wasn't my favorite. Although I did enjoy it, I think Auralie should have come clean sooner. I guess wanting to protect her dad stopped her, but the connection between her and Logan seemed to deserve more. I should probably say the same for Logan's secrets, but they seemed a bit more buried and harder to dig up. Maybe that's a double standard, but it's just my perspective. The con... "Yeah | this con isn't a choice for me. My dad's life depends on it, and so I'll see it through to the end." "Granted, grifting is not conducive to relationships. When you live moment to moment in one con or another, you build a wall around your very human nature so that you never let your guard slip. Grifters are notoriously unromantic creatures, shifty and sly. We can't open our hearts up to be stolen because we're too busy doing the stealing." "The sex addict..." "As long as it continues to be my mental Novocain, I'll continue to submerge myself into a cloud of sexual haze to keep the insanity at bay." "Sex is a drug and I'm possibly a sex addict, but it does wonders at keeping my misery at bay." "I need the lure of sex. I need the numbing power of the almighty orgasm. If I don't have those available to me, I'm only stuck with my thoughts and my bad deeds. I cannot live life that way. I won't survive it." "An amazing connection... "Because we're tethered. " "From the moment you and I first locked eyes on each other, there was an understanding of sorts between us.
