Classroom To Clinic Study System: Personal Professor For Clinical Rotations And PANCE/PANRE Review

Synopsis

Be prepared for classroom, clerkship exams, PANCE, PANRE, and recertification! Are you feeling overwhelmed by the seemingly huge amount of information you need to master? Turn to this integrated learning system designed by PA educators for PA students and practicing PAs. Together the book, our Personal Professor Interactive Software on CD-ROM, and other resources online at DavisPlus guarantee* your success! Your choice of two courses of study prepare you for your end-of-rotation exams as well as for the PANCE or PANRE. The Body System approach, based on the NCCPA Content Blueprint for PANCE and PANRE, lets you study more than 500 diseases and disorders—every one covered in the Blueprint. This approach is best used during the classroom phase of our PA education and while studying for the PANCE or PANRE. The Clerkship approach, based on the clerkship exam, covers primary care medicine topics you'll encounter while on clerkship or clinical rotations. It's best used to prepare for end-of-rotation exams or the PANCE. Personal Professor Interactive Software (Click here for a demo of the Personal Professor CD-ROM.) Select a topic. Take the pre-study quiz on the topic in the text and enter your score in the Personal Professor software. Create your own notes in the software by following the outline template based on the Content Blueprint. Compare your notes to the author's high-impact notes to assess your mastery of every disease and disorder, and then revise your notes as necessary. (Save and print them for review!) Use the built-in calendar to help you count down to your targeted study completion date. Take a post-study quiz on the topic. Review your quiz results; check your answers against the correct answers and rationales. Retake the quiz on each topic as many times as you like, the questions will be reordered. PANCE-style final exam Take a comprehensive, 360-question, PANCE-style, final exam drawn from more than 2,500 multiple-choice questions. Retake the exam as many times as you like. Validated PANCE Predictor online at DavisPlus Enter your final exam score from Personal Professor and see the score you might expect to receive on the actual exam. Text High-impact facts on etiology, history, physical exam, diagnosis, management, and patient education for more than 500 diseases and disorders. Pre-Study Quiz, Topic Blueprint, and Check-Offs in each chapter so you can track your progress and continually assess strengths and weaknesses. Guidance on creating a study plan as well as test-taking tips and strategies. Online at DavisPlus Take advantage of the PANCE Predictor to assess your progress and level of preparedness for either the PANCE or PANRE. Money-Back Guarantee* If you are a graduate of a Physician Assistant program accredited in the United States, take the PANCE or PANRE examination for the first time, and do not pass after using Classroom to Clinic Study System: Personal Professor for Clinical Rotations and PANCE/PANRE Review, you may

Customer Reviews

The idea of having an organized PANCE/PANRE review book with pre & post quizzes is wonderful. However, not all the blueprint topics are covered in the CD software. I have to go to the original list published on NCCPA as a guideline. The contents provided by the author are very basic, simple explanations. No images, charts, or tables are found in the program or cannot be edited in the student notes section. The Author provides notes on certain topics, but also has a separate section for you to enter in notes, which is nice and all, but there is no option to print the 2 sections together. They would have to be printed on separate pages. If it would allow you to enter in or edit notes already provided by the author, it would make reviewing much more effective. Also, I wish the pre-test quizzies were included in the CD instead of lugging around the book. Everything worthy of this PANCE/PANRE review is on the CD, I don't know why else anyone would need the book. UPDATE: I tried taking the practice exam included on the CD. The 1st time my score was

extremely low (27%). There is no way in hell that I could have a scored that low. So when I reviewed my exam, I noticed that all the answers I know I picked were correct, but the software shows that another answer choice (an incorrect one) was marked. Each question was marked that way. I thought maybe it was a glitch in the software, so I updated whatever Adobe components I needed. I wanted to review over the 1st practice test after restarting my laptop, but the entire exam was gone! The program showed that I had not taken any practice exam. So I thought, what the hell, another exam might help me with more practice. I decided to take a 2nd practice exam. Another 5 hours later, the damn program does the same thing.
