G-Spot: An Urban Erotic Tale By

Synopsis

Her man demanded loyalty, but her body wouldn't obey. Have you ever rolled over in the middle of the night and realized you were doing things you swore you'd never do? Sexing brothers you vowed you'd never touch? Bending backwards and stooping lower than you ever thought you'd stoop? Well if you can feel me even a little bit, then let me hit you with a story that just might blow your mind. . . . Nineteen-year-old Juicy Stanfield is the sexy young girlfriend of Granite McKay, owner of Harlem's notorious G-Spot Social Club. A drug dealer with a lethal streak, he runs Harlem with an iron fist. But even the cash and the bling can't keep Juicy from getting restless, and while G fulfills her every material desire, she's burning up with unrequited sexual energy. To cheat on him would mean a death sentence; so Juicy finds pleasure in secret ways: fantasizing on crowded subways or allowing her eyes to hungrily take in the male dancers on the club's ladies night. But as Juicy's sexual cravings grow stronger, one thing becomes frighteningly clear: She's a virtual prisoner in G's dangerous world. As G begins to suspect her of playing him, he pulls the reins he keeps on her even tighter. If she's ever to escape and get a life of her own she must find a way to start stashing away some of G's cash. But doing that under G's watchful eye is a challenge she might not live up to—especially when her appetite tempts her with the deadliest desire of all: G's very own son. . . . From the Trade Paperback edition.

Customer Reviews

The G-spot jacket review says: "The Coldest Winter Ever Meets Addicted." Whenever you get a comparison to other works, you should expect something derivative, and Noire's book is only a partial exception. Take the Coldest Winter Ever, Sista Souljah's "opus de hood," and keep the same heroine. Keep her with approximately the same age, same obsession with styling top shelf gear, same ravenous sexual appetite and raunchiest language for her exploits, and the same dysfunctional family upbringing. Keep the family mental illness, except turn Winter's crazy, crack-addicted mother into two characters for Juicy - her crazy father and her prostitute, crack addicted mother. (Unfortunately, the ignorance surrounding mental illness is framed the same, giving the impression that "the hood" can't tell the difference between a DSM and DMX). Keep a young man who serves as an "ebony knight" who ultimately (and by some lazy plot conveniences) saves the ladies in the end. Now make some cosmetic changes - the name goes from Winter to Juicy, and the game goes from being a gangsta's daughter to being a jealously possessive gangsta's lover. This is not to say G Spot lacks new angles. Its language is raw, and the brutality inflicted by pimp/nightclub owner "G" exceeds anything in Winter by three shades of black eye. But herein lies the conundrum for the reader/reviewer. Is this book "good" because of character development and colorful prose, or is Noire just willing to serve up "shock schlock" to sate our prurient interests? As you turn the page, half in disbelief, yet half titillated that you have only hit the tip of the iceberg in "rawness," you'll unfortunately have your answer.
