Ooo oooo weeeee!! Bruuhhhh! Why you end the book like that. Do not sleep on Jacob Ryan that's that real th*g mentality right there! Had me turned on from his aggressiveness lol. Ugh i swear -hand cutting the air- I can't wait until Tana's lies catch up to him he is doing too much Des. Now I love me some tori and yayo but he gonna have to back up coming for Amari uhh no sir we dont play those games. Demorgaaaan Imaoo they are so hilarious and cute together. Cash and D'Angelo finally got it right I was rooting for them...opposites really do attract. Whats a story without the real mvp glad my bae Shiloh stepped in and gave hardheaded Tana some advice. Overall you know the book was fye. Big up Atlanta's best selling street author. Luv u gul! Lol

DESIREE DOES IT AGAIN...This book was a page turner from front to back and I enjoyed EVERY bit of it...From DeMorgan and their cute relationship...DeAngelo and Cashmere with their crazy

mess...Hazel and Koda with their confused butts...Torri and Yayo with his sexy self..And everyone else in between...Including Montana's dumb butt....Can't wait until part 3 comes out...Great job Desiree...Please hurry up "end of Marh"

Lawd I have been taken on a journey!!The opening of the book was genius and it set the tone for the book to me. At this point I think we are test readers for Tana's book and I must say it was Everything!! I don't believe none of it and everything Montana said he wanted the readers to feel he delivered. My emotions were all over the place. Des I dont know how you thought of this but it was Great!!. I have so many unanswered questions. Who put that hit on Marion Carter? What's De'Angelo deal and what exactly do he and Tuesday do behind the scenes? Oh I am not a fan of De'Angelo and Cash, I dont like her for several reasons. Trent said something in the book that made me think I was reading Tana's story. He was like Demarco crazier that what you making him out to be Tana and I agree. Demarco was awful in the Carters and I never thought I would like his character but her I am in love with how Tana has made him and Morgans relationship. Koda Koda Koda!!! I like him and I like how he was at the end.The bad /good guy who got the girl. He always said he wanted that in Tana's story and he got it. Tori and Yayo are a beautiful addition. I remember Yayo in book one but didn't bay much attention to him. Junie was the loud one but Yayo is that dude and I like how he move. Hats off to you Desi!! You came out swinging on this one. I can imagine how hard it is introducing new characters cause I will admit I wasn't sold on the first book because I was stuck on those Carters but you sucked me in on this one.I cant wait till part 3

Ahhhhh this is my ish!!! I can't wait to find out what's going down with my 2nd favorite white boy!!!.lol and my secret ghetto girl Hazel!!! Yayo is really warming up to me!!! And I hope Montana gets his!!! Demorgan is my most favorite couple!! They keep me rolling!!!! I'm never disappointed and I can't wait for part 3!!!

Ok the book is picking up and I can see where she trying to go with the story and I like in the beginning of the book how Montana tried to call us readers out but tell Montana its all apart of the game can't wait until see how part three unfold ^ ^

That ending tho ' ' ' Once again I love this book ...Montana I guess you know how to write lol Welcome to Azura Bailey PublicationNaw, but seriously Desiree keep em coming your pengame is amazing and I'm ready for NATS 3

Words just cannot describe how AWESOME this is!!!! I just don't even know what I want to say about this book. I get so engrossed in this chick's writing, that I have to make myself put it down so I can get my job done. Just read it. Read them all!! Amazed at how the author ties this stuff together. Great job!

Another great story. Can't wait to see how it plays out. I have a feeling we are reading a book inside of a book. Very well written, minimal errors. I like Tori/Yayo but he can't be coming after Shiloh/Amari. Koda/Hazel I like but I don't really trust Koda and his true intentions. Montana was on some B.A.N.S. and I can't wait until he is exposed. I would like to see more DeMorgan and D'Angelo/Cash... also I think Tuesday just uses that craziness as an act and that she knows exactly what's going on. Can't wait to learn more about D'Angelo and Tuesday's true intentions
