Chekhov: The Essential Plays: The Seagull, Uncle Vanya, Three Sisters & The Cherry Orchard (Modern Library Classics)

Synopsis

Because Chekhov's plays convey the universally recognizable, sometimes comic, sometimes dramatic, frustrations of decent people trying to make sense of their lives, they remain as fresh and vigorous as when they were written a century ago. Gathered here in superb new renderings by one of the most highly regarded translators of our time—versions that have been staged throughout the United States, Canada, and Great Britain—are Chekhov's four essential masterpieces for the theater.

Customer Reviews

Dr. Anton Chekhov (1860-1904) was the first major Russian writer who was not an aristocrat. His grandfather had been a serf. Chekhov was a brilliant genius of classic short stories and plays. In this Modern Library edition his four most famous plays are translated into English. Those plays are: 1. The Seagull: This 1896 play won fame for Chekhov following its production at the Moscow Art Theatre. The work deals with the love of the fledgling playwright Trepilov in love with Nina who dreams of becoming a great actress. Nina falls in love with the famous playwright Trigorin running away with him. In despair, Trepilov plays a dead seagull which he has shot down at the feet of Nina. Two years later, Nina returns to the estate deserted by her quondam lover the scamp Trigorin. She declares that her life has been shot down just as the seagull was earlier brought down to death. Trigorin attempts suicide for the second time and is successful in this effort. The play is beautifully

written and the theme of being busy with work is prominent. It is a play about the hard work necessary by a playwright as well as dealing with a tragic love story.² Uncle Vanya-This 1899 play deals with the kindly Uncle Vanya who has managed the estate of professor Serebryakov for many years. Vanya comes to realize that the lazy professor is an academic fraud. Vanya falls in love with the professor's lovely second wife Elena Andreyevna. She rejects him as a lover. The inept Vanya then attempts to kill the professor with a gun but fails. The professor forgives him though he agrees not to sell the estate which Vanya feared would occur. Life returns to normal.³ The Three Sisters-The play deals with the boring lives of three sisters from Moscow: Olga, Masha and Irina who live in a provincial city of 100,000.
