BDSMerotica Romance: A Dark Billionaire Romance Series Complete Boxed Set: BDSMerotica Romance Series (A Dark Billionaire BDSMerotica Romance Full Book Collection)

Synopsis

The Entire Set of Bridget Taylor's Dark Billionaire BDSMerotica Romance Books Full Length Collection (Complete Boxed Set Books 1-5) Is Now Available For A Limited Offer Of Only \$2.99! Broken Innocence Broken Innocence will take you to the powerful world (full of BDSM fantasies) of Henry Lennox where he takes away the innocence of the cute Stacey. Henry Lennox is a powerful man with unique tastes. He sits atop a media empire that he has built from the ground up. Surrounded by only the most beautiful and talented of women, he enjoys both success and excess. Stacy Caldwell is nervous as she begins her first day at Lennox Advertising. She notices immediately that she does not exactly fit in with this stable of model-attractive young women. When she somehow attracts the notice of Henry Lennox, she is unsure how to respond. She can hardly resist his appeal, in spite of herself. What happens when their affair draws unwanted controversy? Included in the box set is Billionaire Book 2: Broken Purity, Billionaire Book 3: Broken Chastity, Billionaire Book 4 Broken Desire and Billionaire Book 5: Broken Lust. Download your copy today! Take advantage of the limited time offer of ONLY \$2.99 for the entire alpha billionaire romance series today! Broken Innocence is an erotica romance intended for mature audiences. This is the BDSMerotica Books Full Length Collection. Customer Reviews

First off, I'll admit that I'm no expert in the genre of BDSM. I've come across a few such stories, and can compare the "Alpha Billionaire" series to these other works well enough. I am, however, a fairly well-read person, in general, so I feel even more comfortable talking about this series set against a lot of what you'll find from indie and small publishers on .com. Let's cut to the chase, shall we: Right away, I was impressed with the level of appeal to the senses (obviously important for the genre). From the very beginning, Taylor makes a point of drawing you into the story with sensory details, as a prelude to the later, steamier sections. For example, the protagonist, Stacy, notes the spray of mist on her face from the fountain in the lobby of the building where she's starting her first day of work. It's this attention to detail that helps keep you rooted in the story. Taylor never gets overbearing with descriptions (as some authors might), though, and always pushes the story forward. Which leads me to the next item on the list. The plot moves quickly. Rather than getting bogged down or caught up in fluff or minutia, these stories manage to stay on target, and deliver to the reader exactly what he or she would want. The balance between background, setting, characters, and action creates a very appealing total package. The characters are believable and have the right degree of development to complement this kind of story. My one, small gripe concerns the dialogue. I sometimes found myself wishing that more contractions were used -- helps with the realism of the dialogue. Still, this was a very minor note in the grand scheme of things.
