Dance With Me, Baby: A Yeah, Baby Novella

Synopsis

Guy Rule: No falling for a one-night stand. Declan McGowen knew the beautiful ballerina with violet eyes was his the moment he first saw her. He doesn't want to let her go after their one passionate night together, but he doesn't have a choice. Not when her first international tour means the world to her. Juliette Moureaux spent four long months dreaming about her night with Declan. She never thought she'd see him again, but she underestimated his need for her. Declan hunts her down her first night back right after she's just found out she's pregnant with his baby. Warning: This novella contains a sexy alpha, insta-love, and an "oops" baby! It's quick, hot, and dirty.

Customer Reviews

Dance With Me, Baby by Fiona Davenport was a good little novella and I really enjoyed it. It was quick read but very satisfying and I will be getting more by this author! This book tells about Declan McGowen, a Pediatric Doctor who is a very tall, dark and handsome man. He is also a very dominant man and knows what he wants in life, and once he makes up his mind there is no stopping him from getting what he wants. It has been two years since he has been with anyone-by

choice! This is brought to a sharp halt one night when he has gone to the ballet with friends, and a ballerina with the most beautiful violet eyes glances his way. Juliette Moureaux is a beautiful woman and a great ballerina, and she is set to leave the next day on a 4 month tour. She is sitting with friends after the show and notices a very magnificent man coming her way. Declan reaches down his hand and asks if she can give him a moment of her time! What follows is the hottest night of both their lives and Declan does not want to let her out of his sight but she has to leave in the morning when it's time for work, and for her to leave on her tour. She feels reluctant to leave as she feels this is just a one night stand, and she does not want it to end! What she does not know is Declan will let her leave on her tour, but the first night she is back home he will be there waiting for her! What a reunion they have! Unfortunately Juliette is a little scared to talk to Declan as she has something to tell him! She is afraid of how he will feel. On the other hand he does not give her a chance to go anywhere, he is determined that he is going to keep her for good!
