On the weekend of her school reunion, reconnecting with her 'bestie' Stacey, Annette and Craig make another shocking discovery! Stacey and her husband Jeff, are swingers? OMG! After the initial surprise, Annette and Craig are curious...then titillated...then...OMG! It's a hot wicked swinger's weekend, where Annette explores her bi-sexuality, and discovers the joys of threesomes and foursomes. Craig is totally turned on watching Annette, at home a buttoned down business executive, become a hot wife, a wanton slut with another guy, even if the other guy is Jeff, the heart throb Annette used to crush on. Wild and lascivious Stacey has more plans for the four of them! Instead of the school reunion dance, they'll visit a swinger's club! Things go from red hot to white hot as these housewives become wanton and horny temptresses aching to be shared! A four on the floor hot wife sharing menage!

This is another very sexy story from Mia Moore. It is about a couple going to a high school reunion and meeting former friends who are swingers. They were introduced to the lifestyle and loved it, a little reluctant at first but quickly came around. You should definitely get this one. You will love it.

Predictable reunion story line with a few twists to keep it interesting. Sex was hot and quick I enjoyed it. Why three stars not more? I know it is fantasy but the drastic change the couple went through was pretty hard to get into after the original set up at the beginning. I am not a big fan of anything past wild hot "Hetro" sex. I enjoy Hotwife stories more than straight out swinger scenes, not to say some authors don't do a great job with swinger sex.

This was a great read it was good to see how Craig and Annette decided to explore their sexuality a great story and really enjoyed the detailed scenes.

Another wonderful and erotic novel from Mia Moore. The beginning is a little slow in her development of her character, but quickly heats things up which brings out the best in her writing

Another great HOT book by Mia. Can't wait for another release by her or a "the sequel" to this Mia!!
