Hunter and Miranda are still at it! Through this entire episode we've watched them grow closer together, and it actually looked as though they might finally admit their strong feelings for each other, but no! All of them are at a family party that's grown to be much bigger than was planned, and Hunter and his partner and his partner's sister are having a private conversation. The meddling sister is trying to convince Hunter to meet the "perfect woman" she has for him, one who is tall and slim and in her thirties, unlike Miranda, yadda, yadda. Instead of telling the nosey sister that he's in love with our girl, he runs with his usual line of liking lots of women in his life, not ever tied down to just one. And guess who was coming up the stairs and heard the whole thing? Miranda hears it and thinks he doesn't love her at all. So she grabs her bags and takes off to wait on her plane at her friend's place, and gets waylaid by Nigel, the British chef who's been hitting on her hard and not taking no for an answer. He convinces her to share his limo and then invites her to a bar to keep him company. Do I have to add that he makes my skin crawl? Thank goodness the next episode is ready, and we don't have to hold our breath, waiting to see what happens next!Jgtimm

I absolutely love Scarlett Avery's books. This 3rd book in the series each ones the story gets better You fall in love with Hunter and Miranda from the beginning as the perfect couple. Although it is hard for a billionaire playboy to admit he is falling for someone hard it gradually is overcoming him so much that he cannot stay away and sometimes he does not know the right thing to do. From the first book through this one their relationship develops so hot and heavy you feel part of it. Scarlett's characters are beautifully developed and you fall for them. Once you start reading you cannot stop til you finish. Great writing, great story, great characters. Love her books.

Hunter and Miranda story gets hotter and hotter. Mr. Cool doesn't fall in love only sleeps around. Boy is he in for big trouble because he is so there but doesn't realize it. Miranda keeps him on his toes and he does the same for her. Cant wait for the next book. Hot series. Yeah!!!!

This book is so hot as the story unfolds between Hunter and Miranda. She has him so captivated that he hates when he sees her with another guy. Scarlett Avery has brought her characters to life once again and the chemistry is off the charts!

I've been reading all the books from Scarlet, all of them are really amazing, extremely steaming but with a good story full of love, trust, family bound as always. Billioner's infatuation 3 is so far my favorite from this series, can't wait for the others two. Biting my nails profusely, lol.

I couldn't put these 3 books down once I started reading them! They couldn't come fast enough. Hated to see the series end! Scarlett everything I read that you have written I have totally enjoyed! Write FASTER!

Well Scarlett Avery did it again. Loving Hunter and Miranda. This book is hot and sexy. Can't wait till book 4 and 5. And all the ones to come she is one of the best writers around. All I can say is Scarlett keep them coming. •

What a story. Scarlett Avery takes us on the wild , hot and steamy road which is Hunter and Miranda's romance. Not always plain sailing as outside influences combine with scorching love scenes to twist and turn our feelings in many ways. Hunter brings out Miranda's inner sexuality and their steamy sexual romps just get hotter and hotter. Miranda has developed real feelings for Hunter but is not sure of his feelings for her as he keeps his deepest feelings locked inside because he is uncertain himself. At a big event with Toley - Miranda's boss, he sees a man making advances to Miranda and he is jealous and very annoyed but the other man walks away. During a conversation with Riley and Jake, Amanda hears something and it upsets her and the consequences seem set to cause trouble. Book 4 and 5 are going to be dynamite!!!! Who will win? Only the Scarlett lady knows. Most enjoyable books!!!!
