Synopsis

Snap Shot: Hold on tight. This Menage Romance is also a Billionaire Romance. This wild ride of a story is full of surprises, twists and turns that will leave you on the edge of your seat right until you hit the HEA! Two Strapping Alpha Billionaires. One Girl Looking For A Fresh Start. A Heck of A Wild Ride. ***POV from all 3 main characters.*** Unable to hide his undeniable attraction, Jake seduces Allison the first night she arrives at the ranch. Although he does his best to talk himself out of being this reckless again with his sister's new assistant, he seems incapable of keeping his hands off Allison. After an outrageously toe-curling morning interlude in a barn where he rocks Allison's world, he promises himself to confess up to his best friend about his indiscretion, but when the opportunity arises, he chooses to keep his illicit fling with Allison a secret. Unaware that his best friend has already seduced Allison, not once, but twice, and fueled by the fact that Jake believes that the blonde could be a tempting treat for both of them at the same time, Hunter takes it upon himself to push the curvy New Yorker well past her limits. Intoxicated by the fact that two strapping and gorgeous men want her so desperately, Allison throws caution to the wind and indulges wholeheartedly. Has her hunger for pleasure pushed her once again in a compromising situation? And this time, will she be able to get away with it as easily? Just when you think Allison's blissful adventures of ecstasy can't get any steamier, they do. There are strictly NO M/M scenes in this menage romance. This is all about the woman! ***Part 3 of this sexy ménage romance / billionaire series by Bestselling Author Scarlett Avery is a must-read seductive roller coaster.*** Billionaires' Indulgence is a series of 5 books. The entire billionaire series has a HEA ending.

I just remembered why I quit reading this series a few months back: the cliffhangers! They are killers! Now that I have all five books safely on my carousel, I started back at the beginning, and I'm happy to tell you that the story is just as great as I thought it was. In fact, it just keeps getting better. Allison may be stranded on the cattle ranch in Colorado, while the celebrity chef she was working with is off in LA with her four kids and the nanny, but - oh my, has her love life hit the jackpot! Keeping up with her chef's blog may keep her mornings busy, but her two HOT HOT HOT cowboys have taken over her previously dull love life. Words fail me. I've always avoided menage romances, because the idea of more than two people in a relationship is just creepy to me. But Ms Scarlett has written a beautiful relationship between two guys who have done everything together for most of their lives, so when they fall hard for the same girl at the same time, well.... They take sharing to

new heights. It's even funny! Two more "episodes" to go, and we'll see how it all works out. She promised us an HEA, and she always keeps her word. And since it's all for sale at one time, you won't have to wait! Win/win.Jgtimm

This is a continuing story, so read in order. I like the story but this episode was a little slow and there were several lulls in the reading. You knew something was coming in the story and I was expecting one thing and the author surprised me with what did happen. I hope the next episode is a little bit better.

I love Scarlett Avery! Her writing is incredible. Her characters always keep you intrigued and her stories are fantastic. I bought this book today and I couldn't put it down. Everyone should read this. I can hardly wait for the next installment.

Who wouldn't love two men wanting you. So glad they finally worked something out but again I noticed when the sex scenes were happening, Ali seems to only use words like "Jesus" and "Christ" these words were over used too much during their play time. We want hotter dirty words when she's in the heat of the moment. They are much better words to describe the heat of the moment feelings than "Jesus" or "Christ" or even "Lord"

Because at the end of the series, they do come together and as one and not as another body. Great read for all 3. But you have to get the series in order to get to the end and see what the ending is going to be.

Awesome book can't wait until the 4th book I hope Jake and Hunter and Allison stay together. Jake needs to get rid of the person that showed up in the end and do it quickly. I hope Allison doesn't wound up getting hurt by her old boyfriend.
