SHIFTER MENAGE: Goldie And The Two Bears (BBW Menage Shifter Pregnancy Romance) (New Adult Paranormal Romance Short Stories)

Synopsis

Will Goldie ever find a man that is just right? Goldie has been trying out men, like she is Goldilocks testing out chairs and porridge. Some men are too soft, while others are just too damn hard. Some criticize her voluptuous body, while others treat it like a bizarre fetish. When Greg Roberts enters the picture, she thinks she has finally met the perfect man. He is a successful producer and script writer in LA. He is smooth, talented, great in bed, and actually motivated. What more could a girl ask for? But just as quickly as he appeared in her life, it all goes to crap when she finds him cheating. Goldie finds herself on a rebound getaway at Big Bear Lake in the arms of not one, but two handsome hunks. She tells herself she is just playing, but when strange things start to happen in her new love triangle, her life might become forever altered. How could such a dangerous affair ever lead her to Mr. Right? 18 + Readers only. Bonus stories and a Spanish translation included.

Customer Reviews

Give me two bears! Goldie is sick of being used and having no one to truly love her so she goes on vacation to take some time for herself. Instead she comes across Joshua and John who show her a good time... Goldie doesn't know what to do but enjoy the time then go home... But there is some surprises in store. I loved this book and can't wait to read more of Sky Winters books!

This is a wonderful, intriguing and interesting book to read and I thoroughly enjoyed reading it. The story covers Goldie Dawson a curvy young free spirited woman who has really had enough of men and is done with them. She decides to visit her two gay friends (Ian & Randy) at Big Bear Lake and at a party meets Joshua (a Banker) leaves the party and spends the night with him the next day she goes to the general store and meets John Sebastian (owner of general store) and goes on a date with him, she then spends the night with him too, but she has noticed is that both men have a tattoo of a bear's paw. What you will find in this story is drama, done with men, visiting friends, becoming involved with two different men, cannot choose, text messages, unplanned pregnancy, planning to leave, a violent storm, bridges washed out, danger of flooding, booking into hotel in village, researching pregnancy, keeping baby, already showing, Joshua sharing room with her, phone call, friend can also share, John arriving, we've met, fainting, on bed two men looking at her, you're pregnant, don't want anything from them, was leaving, storm stopped her, talking, bear shifters, both men/shifters are bonded to her, menage intimacy, news, pregnancy will only last four weeks, doctor, giving birth to fraternal twins, lust, emotional feelings, rough and tender loving erotic scenes. There are also bonus stories included. The story-line and plots of the various stories are well thought out and written and the characters have personality. I would recommend this book to people who like to read a well written book about shapeshifters with a HEA.

Goldie, fed up with men and especially her cheating boyfriend, takes a small vacation to get away. She meets Joshus and John. Deciding to treat men the way they treat women, she decides to have meaningless sex with them then after her vacation, go home to her life. The sex she has with each of them is phenominal, and each gives her something different. Joshua likes it hard and rough, John likes it gentle and he's a cuddler. But what happens when these two friends find out they have been sleeping with the same woman? I loved this story, and between the two men Goldie gets everything a woman wants. The perfect partners.

I enjoyed the fable of "Goldilocks and the Three Bears" and was amused of this story's title being similar to that Lol nice..I found it intriguing how Goodie tried to played as what was done to her. I wonder how many get hurt so many times in their lives where they think that love is just a game? I love that Goldie finds her love again with the help of John and Joshua. I like how they challenged her when she tried to runaway. It was inspired to see Goldie opening up her heart again and not running away from her love with John and Joshua. John and Joshua are two sides of one coin

which matches with Goldie perfectly.. I always enjoy reading the short stories afterwards..

Looking and the title of the book you think ok fairytale, nope more like fantasy tale! Goldie's had a rough time of it, she decides to roll like males. What fun she has! Life and it's hiccups. John and Joshua are just what the Dr. ordered. I was given a free ARC copy of this story in exchange for an honest review.

This book was good, but too short for me. If your looking for a quick menage read then you'll enjoy this one. What could you ask for when not one, but two bears are after the same women. Mmmm hot ain't it. :)

I really enjoyed this book. I wasn't sure how it was going to turn out. Two guys and a woman. It was a happy book once everything was sorted out but I felt sorry for Joshua. I thought he was getting the short end of this bargain. But boy was I wrong!!! The proganonist is not a person this time!! I have read a lot of Sky Winter's writings. They really aren't for everyone. You have to read them for the enjoyment of the written word. They are not your grandmother's romance novel. She also includes the primary story in Spanish as well as a variety of other writings. She's worth reading!!

I loved this book. I just wished it was a bit longer. Both Jausha and John are hot hot hot! I hope there is another book in the future about Goldie and her bears! I recived this book for free in exchange for an honest review!
