## Customer Reviews

I purchased this when I purchased a Kindle HD for my father. He is often on the road and loves western books. It took a long time for me to get him talked into a Kindle because of the technology, but he loves that he can read multiple stories without having to take the paperbacks with him on long trips. There are enough stories here that keep his attention for quite a while. Wonderful price and I was very happy to know that my dad will be entertained while waiting for various things.

This is yet a very nice collection of 25 Cowboy Stories. Those who yearn to know about the wild west and it's history should buy this megapack and savour the open ranges and it's denizens. The stories are by some of the best Writers of the Western genre. I thoroughly enjoyed reading these stories.

About 5 really good stories with the rest mediocre at best. One gem is the original Lone Ranger story. Scan the stories and be selective if you only want good ones. Otherwise you will get a little bored with repetitive themes.

I love this product, it is so nice to be able to read again and to utilize the convenience of setting in my recliner and ordering and having what I ordered immediately. 5 stars

There's something about this genre that truly belongs to the early 1900's authors. Maybe they were somehow closer to the action time wise. Maybe they just took a stiffer pride in their work. Whatever, the good ones were very good and this collection is from some of the best. Read most of them before and I'll probably read most of them again.

I was thinking this was another collection of Zane Gray stories, but in fact there are many other authors represented. Luckily, they seem to be pretty good stories and I'll have fun reading them, maybe even identify some new authors I've not read before. In any case, a great deal at 99 cents.

There are a lot of great stories in this pack by men I've never heard of; many that were very popular

in their day, or even today! I'm grateful for these megapacks for finding these authors for me! Well worth the read!!!!

Zane Grey is one of the great western writers of all time. Like Louis Lamour he wrote clean wholesome stories about a hard time of living. When you write about solid good men and women as the winners they make their live come alive.
