# Cursed: Brides Of The Kindred 13 (Alien Warrior Science Fiction Romance)

## Synopsis

This is a plus length novel--over 153,000 words long. Commander Stavros Rii of the Kindred is a Sin Eater--thick black lines cover his back and neck causing him to feel the pain of others. It is a curse that threatens to shorten his life and makes him unable to bond with a female--not that he's ever found one he wants to bond with. Until he meets Charlie. Charlie Sayers is an agent with the Earth Protection Bureau-- and anti Kindred agency dedicated to ridding the world of the big aliens. Charlie joined the EPB out of a sense of patriotism but she has her own reasons to hate the Kindred. But she has bigger problems than the Kindred at the moment--the Enhanced Ones have come to Earth and they're planning to take over the planet, enslave the inhabitants and strip them of all emotion. Charlie can't have that so she agrees to go undercover with Stavros to find the Heart of Love--an artifact which can destroy their mutual enemy forever. On their dangerous and difficult mission, Charlie learns that going undercover with your worst enemy can rapidly turn him into your best friend...or your lover. Can she hold on to her beliefs and stay true to herself, or will she lose her heart to Stavros? And even if she gives in to desire, will Stav be able to bond her to him? Or are they Cursed to be apart forever?

## Customer Reviews

Starvos is a "cursed" one who is also a blood kindred male. A rare viral infection marked him as a child that causes him to feel the pain of anyone in the nearby vicinity. This infection will shorten his life because of the stress placed on his body. His culture ostracizes him because of this marking on his body that proclaims he has a cursed existence and even his family holds him at arms length and is shamed to have a cursed child. Charlotte also known as Charlie is a toughened detective who has made the chose to go in league with the human EPB (Earth Protection Bureau) who are policing the deportation of all kindred makes and is making arrests of any left in residence on earth. She has a lifelong grudge against all Kindred and the calling of earth brides because of her personal devastating experience. In this Kindred book Charlie and Starvos are teamed up together to retrieve an object from a couple counseling retreat planet to fulfill the Goddesses prophecy of how to defeat the dark Kindred's plans to enslave earth. They must go in disguise as a problem couple in need of help to salvage their bond of oneness in order to steal the relic so they can save earth. They both have off the charts chemistry with one another but both attempt to fight it off because of their beliefs and past experiences. No different than any other kindred book this is a fast paced high energy read with a great steamy romance laced into all the intrigue and suspense. There was some similarities to Isis's story with the undercover job to another planet but there was enough differences to make this an all together different read; so no worries of the same story being rehashed with different character names.

Spoiler Free Review! received an ARC of this book. Wow. Thirteen books in and she has done it again! "Cursed" picks up right where we left off in "Enhanced". If you haven't read the previous books in the series yet, I must ask you why the heck not? Seriously, stop reading this and go pick up the first book in the series "Claimed". There is even a bundled set of the first four books in the series, conveniently packaged so you can binge read and continue your new love affair with the Kindred males. Seriously go pick it up, I'll wait! | All right, assuming you have read the previous books you will now know what I am talking about. Earth is at war with the Kindred and is unaware that the Dark Kindred, lead by Two/Ur, is waiting in the background to sweep in and enslave the inhabitants of Earth and mine all of Earth's natural resources. We were first introduced to Commander Stavros Rii in "Enslaved". He is the noble Kindred who refused to leave Earth to stay behind at his post at the HKR. He is cursed to feel the physical pain of others,

which at times can be quite amusing. Charlie Sayers is a new addition to the series | or is she? She is a tough EPB agent, a former Detective, and an overall fearless badass. The interactions between the two are funny, amusing, and also downright frustrating at times. With both of them carrying their own emotional baggage it makes for an intriguing read "one that I couldn't put down. There is mystery, an undercover operation, an epic battle, as well as weird alien cuisine, which is one of my favorite staples in the Kindred series. I'd love to know how she comes up with the weird food and taste combinations.
