Nine Women, One Dress: A Novel

Synopsis

A charming, hilarious, irresistible romp of a novel that brings together nine unrelated women, each touched by the same little black dress that weaves through their lives, bringing a little magic with it. Natalie is a Bloomingdale's salesgirl mooning over her lawyer ex-boyfriend who's engaged to someone else after just two months. Felicia has been quietly in love with her boss for seventeen years and has one night to finally make the feeling mutual. Andie is a private detective who specializes in gathering evidence on cheating husbands—a skill she unfortunately learned from her own life—and lands a case that may restore her faith in true love. For these three women, as well as half a dozen others in sparkling supporting roles—a young model fresh from rural Alabama, a diva Hollywood star making her Broadway debut, an overachieving, unemployed Brown grad who starts faking a fabulous life on social media, to name just a few—everything is about to change, thanks to the dress of the season, the perfect little black number everyone wants to get their hands on . . . From the Hardcover edition.

Nine Women, One Dress by Jane L. Rosen Source: Netgalley My Rating: 3.5 / 5 stars My

Review: On the eve of his retirement, Morris Siegel is pleased to discover his last design, the Max

Hammer LBD is the dress of the year. Little does Morris know, his dress won't just be the dress of the year but it will irrevocably alter the lives of nine women. Here's the breakdown: Likes: Though Morris plays a small part in the long-term plot line, his background and involvement with the dress is an interesting part of the read and a very good way to introduce the dress. Morris has devoted his life to the creation of beautiful designs and the reception of his last creation is such a fitting end to his career. Natalie is the most unlikely of individuals to be wearing the ultra-high end Max Hammer dress but find herself in it, she does. The cherry on top of the awesome dress sundae is the fact she is wearing the dress while attending a flashy event with a bona fide Hollywood star. Natalie is still hurting from a recent break-up so being seen on the arm of a Hollywood star is sure to bring her ex running right back. Her new beau is gay (or is he?) so being with him is certainly safe enough. Felicia and her boss!! These are, by far my favorite characters in this read. For twenty years, Felicia has served her boss faithfully and quietly loved him as he has loved his wife. When his wife passes away, Felicia doesn't swoop in and try to take her place but supports him as she always has and provides comfort where she can. It is only by mistake and misunderstanding that Felicia finds herself wearing the year's most wanted LBD and having dinner with her boss.
