The Cowboy (Montana Men Book 2)

Synopsis

For Emily Winston, leaving her old life as her aunt's ward to become a male order bride in Montana constitutes a much-needed fresh start. But among the baggage she's hauling on her way to meet her new husband is a dark secret. The aunt who raised Emily also ran a brothel, and the young woman's sexual knowledge and exploration at her own hands has left her something other than a typical virgin. Wyatt Blake is a successful rancher in need of a wife, but his desire for someone other than the prim, obedient women of his territory has led him to select a made-to-order bride. Emily is everything he could ask for in bed, but when her secrets start to unravel, the handsome dominant employs the use of hard spankings to extract the truth of Emily's past. Will her guilt and shame mar a budding relationship further complicated by Emily's willfulness and lack of domestic skills? Or will Wyatt Blake's firm hand and sexual domination force Emily to accept her place at the side of a man who knows exactly what he wants? Author Vanessa Vale is the undisputed Queen of the Erotic Western, and her second book in the Men of Montana series is a barn-burning love story sure to have you fanning yourself in delight.

A mail order bride that has run out of options boards the stage for her rancher husband. She fits in better than she expected to with life on the ranch. A few bumps in the road, but those are so much fun! This is a good book but way too short for the price. Definitely shouldn't be more than \$2.99.

Emily Winston needed a new beginning, what she got was a life! She isn't wife material, but the man was looking for a wife and here I am. Forget she has done something taboo and to make matters worse then that she is harboring that little tidbit for a later conversation. Emily has lived with her aunt who runs an establishment of ill repute. She thinks her self a whore, and it has a different meaning to her. Wyatt Blake is a rich and handsome rancher with a hankering for domestic domination (and bare bottom spankings). He thought he wanted a self composed woman and what he ended up with was a virgin with a hell of a lotta experience! But he is mesmerized with her body the rest doesn't matter until someone comes to spoil the romance and love affair the Blake's have. Can Wyatt see through the treachery or will he lose more then a bed partner. The lovemaking, down and dirty sex was salaciously decadent! Vanessa Vale maybe innocent but the book was not! Gave the Book 5 stars the storyline and character development was outstanding. The intrigue and angst ..love and sex and I wanted to slap the smirk of the ...uh..nope you have to read it and it's another blushing bombshell! More!

This was a good addition to the Montana Men series. Wyatt has ordered a bride from Mrs. Bidwell, a Madame in a brothel. He does not expect to receive a bride who is a virgin, but not that innocent about what goes on between men and women. Emily knows a lot, but because she was raised in a brothel, she never learned to keep house or cook meals. But, Emily pleases Wyatt and that is all that matters. There is a happy ending and I give this 4 stars.

Oh, the second in the series and boy, is it fantastic! What a great plot, with sexy hot dominant cowboys and submissive women who still have some sass. Very well written and keeps me turning page after page. I love this series and can't wait for the next!

The Cowboy is the second of Vanessa Vale's new series - Men of Montana. In this one Emily Winston is leaving her old life to become a mail order bride in Montana - a fresh start for this young lady who was raised by her aunt in a brothel. She is technically a virgin but has quite a bit of real life knowledge of the goings on between a man and a woman. What she doesn't know is

anything about being a bride, cooking and cleaning but fortunately Wyatt Blake seems very pleased with his new bride. Wyatt is a successful rancher who needs a wife, and he knew he wouldn't find what he wants with the prim, fussy women in his territory. He quickly believes Emily is just what he wants but a secret soon has things unraveling for her, especially when some other woman comes along claiming to be the real Emily Winston and Wyatt's real wife. If you are looking for a blow your mind erotic western then Ms. Vale does it again with this second book. My complaint would be that this was too short, I would have loved to know more of Wyatt's background and well - just a bit more of the goings on in this household. I received a copy of "The Cowboy" from the author for an honest review

This is the second book of Montana Men series. Emily Watson, a mail order bride, arrives to meet her new husband, Wyatt. One look at the woman and Wyatt is a happy man, anxious to stake his claim on his new wife. He is shocked to discover that the woman sent to him is obviously not a virgin. Emily has been dreading that he would uncover her past and learn she'd been raised in a brothel - however, she is quick to explain that while she is a whore, she was a virginal one before he took her. Wyatt listens to her story and begins to educate her that she is not truly a whore but men, even husbands, truly wish their wives to become their whores in the bedroom. He also begins to teach her that when she does something naughty or puts herself in danger, it will be her ass that pays the price. All seems to be going well until a beautiful blonde woman arrives to announce she is the true Mrs. Wyatt

Wow, to imagine be raised in a brothel during this time. She may not be a whore, but her options were so limited. A mail order bride seems to be her best option. And when she meets her cowboy, oh boy! He takes her home and wants to bed a virgin, but is surprised to get no resistance. He thinks he's been cheated, but when Emily explains her story, Wyatt is turned on but feels the need to punish his wife. Oh boy, though Emily didn't think she liked it, her body said something different. Emily doesn't think she makes a good wife, she can't cook, she puts her life in danger and when she suddenly has competition, she doesn't think she can compete...will she need to move to the brothel as that is what she would be considered or will her cowboy take his bride? There are some majorly hot scenes in the book. You will definitely need to fan yourself throughout reading the book. The story is interesting too. I have really enjoyed this series. It is hot but interesting read as well. Totally recommend any of the Montana Men books!! I was given this book for free in exchange for an honest review.
