## Synopsis

Christian Romance. Seven boys were adopted from the foster care system by Alec and Maggie Donahue, a loving Irish couple living in Breeze Point, Cape Cod. Now grown men, the brothers are making their way in the world in their chosen professions, each hoping to find love that will last a lifetime. The Romantic Remy Donahue, an internationally known painter, has come home to Breeze Point to celebrate the fortieth anniversary of his parents, Alec and Maggie Donahue. When his father suffers a stroke, Remy makes the decision to stick around Breeze Point in order to support his recovery. When Remy offers to help out at Sweet Treats, the family bakery, he meets the beautiful and soulful Gabrielle Turner, who is a new employee at the establishment. Although Remy is smitten with Gabrielle, she's not as certain about him. When Remy discovers her tragic history and her connection to his birthplace of New Orleans, he'll risk it all to win her love and heal her soul. Gabrielle Turner can't believe her good fortune when she lands in Breeze Point, Cape Cod. An idyllic beach town, Gabi is shocked when the townsfolk welcome her into their fold with open arms. She's never felt so at peace, even though she fears it won't last. For so many years she's moved from place to place, her soul never feeling at ease in her surroundings. Haunted by her past, Gabrielle feels an instant connection and attraction to Remy Donahue, the son of her employers. But with a habit of picking up and running, will Gabrielle realize that everything she's ever wanted lies in Remy's arms?

## Customer Reviews

Another delight from the wonderfully prolific Belle Calhoun! I loved getting to know these warm and wonderful characters. Remy was every bit as romantic as promised. Gabrielle's vulnerability came through and Remy waited until he was ready to show love to her. Even as Calhoun tells the love story of each brother in this engaging series, she gives you just enough of a hint to get readers to wonder about how the next brother will fall. An incredible accomplishment. Read this marvelous series now and wait patiently with the rest of us for Nick's story.

Alec and Maggie Donahue adopted seven boys from the foster care system. Now grown up, this story is about Remy, an internationally known painter. Originally home to celebrate his parent's fortieth wedding anniversary, all changed when Alec suffered a stroke. Remy decided to stay in Breeze Point, Cape Cod and help out at Sweet Treats, the family bakery. Remy, known as the romantic, has his heart set on Gabrielle aka Gabi, a new employee at Sweet Treats. He has never believed in "love at first sight" until now! Does she feel the same way about him? Having lost his parents in a car accident at the tender age of 8 he understands some of what Gabi has gone through when she finally opens up to him. How will the apartment fire affect her? Maggie, under a lot of stress seems to be forgetting things? Is it really just stress or is there something more serious going on? Why does she appear to disapprove of Remy and Gabrielle's relationship? I love the way Gabi, at one point, stands up to one of Remy's ex-dates. Unlike so many other romances, Gabi uses her brain and experience of what she knows about Remy and does not go off in a huff but sees the ex for exactly who she is! This is a very special, gentle and tender romance. Remy is a total gentleman. Based on Christian principles but not preachy. Simply beautiful! Although this is part of a series, this story stands alone but if you haven't read the first two books you're missing out! The Donahues are a close family so naturally we get to meet them all in this book and catch up a little. There are great quotes from the family between each chapter.

It has been forever since I read a good "love at first sight" story. It's been a while since I read a great romance with a hero who more caring than conflicted. That's what we are treated to when

Belle Calhoun introduces Remy, a sweetheart of a romantic and world-renowned artist, and Gabrielle, a baker and victim of natural disaster and loss in the third *Seven Brides, Seven Brothers* series. Calhoun's ability to blend real life situations, heart-warming family interactions, and romance that doesn't necessarily follow all the "rules" makes Remy's pursuit of his beloved a pleasure to read and Gabrielle's healing something to rejoice in. Can't wait the next brother!

This is one of the of the sweetest men I have ever read about in these romantic stories. He is the type of man every red blooded woman would love to share her life with. This is the kind of man who makes all the good or bad things that life THROWS at you pull you through it all. If only there were families like this in real life to be a part of.

Very clean heartwarming romance. A truly old fashioned romantic man falls for a troubled woman running from past hurts. He sets out to win her heart and free her from whatever she's been afraid to reveal to him. Will he win her love or lose her, as he helps her face her fears? Remy is one of seven men adopted by the Donahue family, and this is his and Gabrielle's story.

Book 3 of this 7 Book series, this is Remy's story. Remy is a world famous artist he has returned to Breeze Point, Cape Cod because of his father's illness. Remy decides to help at the family bakery since his father is out and his mother is at his bedside. When he meets the new employee Gabrielle Turner and is instantly attracted to her but, Gabrielle has problems of her own and although new in town she is not looking for anything more than earning a living that is enough for her to take care of her son. But Remy is determined and the Donahue boys just don't give up. This is where the series ramped up some, Gabrielle has issues and Remy although adopted had wonderful parents, he remembers with love. He's been looking for a love like that his whole life, especially after the example set by Maggie and Alec Donahue, his adoptive parents. This is a wonderful story and a great read.

I have to say that I really liked the first two books in this series. As a New Orleans native I was really looking forward to this particular installment. I really liked the character of Remy as he was introduced and developed in the first two books. However, I have to say that I found this story lacking in depth and character development. The book did very little to convey the horror that was Katrina or the after effects it had on families. But I understand that is something hard to convey. But the characters of Gabrielle and Remy seemed to be much more shallow than the other leading

characters. Instead of feeling like I knew Remy at the end of this book, it still felt like he was someone I would like to get to know. Gabrielle's character also seem to lack real depth. There is a possibility that I would feel differently about these characters if Gabrielle's story had not been based in a horror I lived through. I still plan to read the rest of the installments in this series. I really like the premise of the bond of the seven brothers. I just don't feel this was one of the best told stories.
