# PUCKED Over (The PUCKED Series Book 3)

## Synopsis

\*\*\*The 3rd standalone novel in The Pucked Series\*\*\* Lily LeBlanc isn't versed in the art of casual sex, but after seven years in an on-again, off-again relationship, she's definitely willing to give it a shot. And who better to try it with than her best friend's boyfriend's best friend? What could possibly go wrong? NHL player, Randy Ballistic, lives up to his last name on the ice and in the bedroom. His best friend and teammate has recently given up the puck bunnies and traded them in for a real girlfriend. And she just happens to have a seriously feisty, extra-hot best friend on the rebound. Randy's more than happy to be Lily's spring board back into the dating scene. But casual sex is only casual until those pesky things called emotions get involved. Once that happens, someone's bound to get pucked over.

## Customer Reviews

I swear to God and all that is holy, I fall madder and more deeply in love with Helena Hunting and her characters as the Pucked series continues. I didn't think anyone could top Alex Waters in Pucked. Then came Miller & Buck • Butterson in Pucked Up. WRONG! I Fell hard. Then I said &œOk there's no way anyone will top Miller.& • WRONG AGAIN! Oh. So. Wrong. This book? I

felt like I experienced an intergalactic orgasm! Randy Balls Ballistic is unlike any book boyfriend I've ever met. He had me at "The #f\*ck you say to her?" • I can literally STILL hear that spoon drop in his bowl. \*\*sighs\*\* I will NEVER forget that moment. It's to go down in my "Best book boyfriend moments of all time" • There's just something about him. He's chivalrous. Gorgeous. Sexy. Charming. Hilarious. Delicious. I wanted to lock him up in my pussy prison!!! And Lily? TO. DIE. FOR. She is my favourite lady. I could relate to her on so many levels. And she's just adorable and feisty and simply beautiful in so many damn ways! She stole my heart! I want to marry her! Now. Put these two together? BALLISTIC. MIND BLOWING. CHEMISTRY. Oh my God. Some of the scenes these two had. Whoa. I felt like I was zapped right in my vagina emporium! Some of the things these two would say to each other. Do to each other. JFC. HOTTER. THAN. HELL. Whew. Ok, let's talk about the FEELS. Because I have to say I am damn sure I felt them all. My heart swelled, stuttered and burst with love, happiness and even a bit of pain. Loved. It. And of course, we cannot forget to mention the comedy. Best. One liners. EVER. I laughed so damn hard I had tears. My face hurt from smiling so much. My abs felt like I did a bazillion crunches! Lily and Randy have touched a part of me forever.

Bringing together a bunch of unique, loud mouthed, awkward, filter-less misfits Helena Hunting strikes gold AGAIN with PUCKED Over. This series may or may not be over, Helena might bless us with more hilarious awkwardness or she may say PUCKED Over is the last book in this series. Know that regardless of her decision, PUCKED Over holds its own. This series is perfection and PUCKED Over adds the right amount of cockiness, sass and swoon to have readers committed and whole-heartedly in love with everything Helena Hunting is offering. PUCKED Over lets readers get up close and personal with Randy "BALLS" Ballistic and Lilly LeBlanc. In their quest to get under the covers, they also find out that there is bit more than sheets between them. Suddenly single, Lily agrees to a casual fling with Randy. Happy to be her rebound guy, Randy can't get his mind off of Lily and all the sex they will be having. With sizzling chemistry, quotable banter and sexy vulnerability; Lily and Randy will have you cheering for more than just a regular bump and grind. In a way only Helena Hunting can achieve, Lily and Randy are given depth and dimension through humour, sarcasm and wit. As the story unfolds we get front row seats to the unique and quirky love/lust relationship between these two gorgeous and secretive souls. As Lily takes note of everything she has been missing before Randy, Lily makes Randy want things he had no idea he wanted. As permanent fixtures of the PUCKED crew Randy and Lily are surrounded by our familiar favourites. With the presence of Alex, Violet, Miller and Sunny a subtle taste of maturity surrounds

Lily and Randy as they decide if they too want to embark on the journey of relationships.

Oh My God!!! Helena, has done it again my friends! You think to yourself "How will she top the last book?" and she always does. This book gave me all the feels. I bet you're thinking "yeah right!" This is Pucked Over we're talking about. It's funny and sweet, but not really that deep. You would be wrong to assume that. I legit cried in 2 specific parts in this book. Helena really did a fantastic job with this one! We got to know Randy and Lily in Pucked Up. Randy "Balls" Ballistic is Buck's bestie and Lily is Sunny's bestie. They had their "fling" at Alex's cabin and then Lily went cray cray on Randy near the end of Pucked Up. Pucked Over starts right after the fundraiser game that was in the epilogue of Pucked Up. She can't get Randy out of her mind and Randy can't get Lily out of his. They meet up in a bathroom and ladies... let me just say that fireworks go off. We are beyond sparks! Their chemistry is off the charts and the sex in this book will make you HOT!!!! I will tell you, Lily had to redeem herself a little in this book for me. I didn't care for her in Pucked Up. She was with Benji and all they did was fight, she was constantly telling Sunny what she should do in her relationship with Buck and then she jumps on Randy the first chance she gets and then goes crazy on him. Writing all over his clothes and underwear with a sharpie. Well, she fully redeemed herself. I LOVED her!!! She was so funny and snarky. Her banter with Randy was awesome! Once you get to know her you realize how insecure she really is and how amazing Randy is for being exactly what she needs. I would say she is the most like Violet except waaay toned down. Violet is her own brand. lol. Lily is my favorite heroine in this series! Randy.... Randy was amazing!
